Jesus in the Present Tense Oxford University Press ?The International Symposium on Hearing is a prestigious, triennial gathering where world-class scientists present and discuss the most recent advances in the field of human and animal hearing research. The 2015 edition will particularly focus on integrative approaches linking physiological, psychophysical and cognitive aspects of normal and impaired hearing.

Like previous editions, the proceedings will contain about 50 chapters ranging from basic to applied research, and of interest to neuroscientists, psychologists, audiologists, engineers, otolaryngologists, and artificial intelligence researchers.?

Changing Genera National Geographic Books

Antitrust laws touch upon a wide range of conduct and business relationships in the delivery of health care services, and the issues that should be of concern to health care organizations are described. Health Care Antitrust provides practical overviews of the principal legal issues relating to health care antitrust, as well as a general understanding of antitrust analysis as applied to contractual relationships and business strategies that present antitrust risks in a managed care environment.

For a limited time at a special price, enjoy beloved mystery writer Tamar Myers' novel *The Witch Doctor's Wife*—an enthralling tale of duty, greed, danger, and miracles in equatorial Africa. As a bonus, you get an excerpt from *The Headhunter's Daughter*

and *The Boy Who Stole the Leopard's Spots*, on sale May 8, 2012. *The Congo* beckons to young Amanda Brown in 1958, as she follows her missionary calling to the mysterious "dark continent" far from her South Carolina home. But her enthusiasm cannot cushion her from the shock of a very foreign culture—where competing missionaries are as plentiful as flies, and oppressive European overlords are busy stripping the land of its most valuable resource: diamonds. Little by little, Amanda is drawn into the lives of the villagers in tiny Belle Vue—and she is touched by the plight of the local witch doctor, a man known as Their Death, who has been forced to take a second job as a yardman to support his two wives. But when First Wife stumbles upon an impossibly enormous uncut gem, events are set in motion that threaten to devastate the lives of these people Amanda has

come to admire and love—events that could lead to nothing less than murder.

The Witch Doctor's Wife with Bonus Material Pragmatic Bookshelf

In *Jesus in the Present Tense*, Dr. Warren W. Wiersbe explores the "I AM" statements of God—from His burning bush conversation with Moses, to His powerful reassurances to the Israelites, to Jesus's startling claim to be the Light of the World. Many Christians find themselves mired in past regrets or future

fears, but the name of God itself reminds readers that God wants them to live in the present. The more readers understand and apply God's I AM statements from the Old and New Testaments, the more they will realize God's peace and joy. Then they will be free to live, serve, and know God more richly in the present tense—which is just where He wants them to be.

Engineering and Mining Journal-press Elsevier Health Sciences

In the summer of 1900, bands of peasant youths from the villages of north China streamed into Beijing to besiege the foreign legations, attracting the attention of the entire world. Joseph Esherick reconstructs the early history of the Boxers, challenging the traditional view that they grew from earlier anti-dynastic sects, and stressing instead the impact of social ecology and popular culture.

Exploring Science 4 Building a

successful product usually involves teams of people, and many choose the Scrum approach to aid in creating products that deliver the highest possible value.

Implementing Scrum gives teams a collection of powerful ideas they can assemble to fit their needs and meet their goals.

The ninety-four patterns contained within are elaborated nuggets of insight into Scrum™s building blocks, how they work, and how to use them. They offer novices a roadmap for starting from scratch, yet they help intermediate practitioners fine-tune or fortify their Scrum implementations. Experienced

practitioners can use the patterns and supporting explanations to get a better understanding of how the parts of Scrum complement each other to solve common problems in product development. The patterns are written in the well-known Alexandrian form, whose roots in architecture and design have enjoyed broad application in the software world. The form organizes each pattern so you can navigate directly to organizational design tradeoffs or jump to the solution or rationale that makes the solution work. The patterns flow together naturally through the context sections at their beginning and end. Learn everything you need to know to master and implement Scrum one step at a time—the agile

way.

A Scrum Book World Scientific Presents the report "A Nation at Risk: The Imperative for Educational Reform," provided by the National Commission on Excellence in Education. Includes findings and recommendations about the U.S. educational system. Lists members of the Commission and includes the Commission's charter and a schedule of its events. Poetry. In Noel Sloboda's second book of poems, he delves beneath the surface of suburban life, weaving together ancient myths, childhood nightmares, and historical reveries. OUR RARER MONSTERS explores intersections between real and imagined geographies: a residential block where Grendel lives next door and Prospero is parked out in the street. These poems--and

the accompanying linocuts by Marc Snyder--plumb the depths of memory to unearth roots that bind us to the literary, cultural, and mythological traditions of yesterday as we hurtle irresistibly through the twenty-first century.

"Noel Sloboda's OUR RARER MONSTERS is an imaginative book full of wonder and charm."--Jeannine Hall Gailey "I kept coming back to Sloboda's poems and to Marc Snyder's exquisite linocuts included in this utterly winning book. Here is a poetry collection not to be missed for its audacity and verve."--Kristin Ong Muslim
