Numbers User Guide for Mac - Apple Support

The user guide provides an in-depth instruction manual for setting up your iPhone, expansion, tips and troubleshooting information, providing not just a useful source of information for the initial setup of your phone, but also providing a focal point to refer back to should you have any other questions as you grow more familiar with your phone. The first thing to consider when you're setting up your brand new iPhone 8 is how to insert your SIM card.

Numbers, along with the rest of iWork, has recently undergone a complete overhaul that boasts a brand new design, iCloud synchronisation and much more. Additionally, Apple is now giving away its productivity suite for free with every qualifying Mac, in addition to a free upgrade for all existing users, making iWork accessible to all.
