* Previous year's questions on Indian Modern History of APSC prelims(GS) exam.* Solved paper from 1997 to 2015 with the description

OBJECTIVE Computer Awareness S. Chand Publishing

This is a comprehensive, intelligible and interesting portrait of Ancient Indian History and Civilization from a national historical point of view. The work is divided into three broad divisions of the natural course of cultural development in Ancient India: (1) From the prehistoric age to 600 B.C., (2) From 600 B.C. to 300 A.D., (3) From 300 A.D. to 1200 A.D. The work describes the political, economic, religious and cultural conditions of the country, the expansionist activities, the colonisation schemes of her rulers in the Far East. Political theories and administrative organizations are also discussed but more stress has been laid on the religious, literary and cultural

aspects of Ancient India. The book is of a more advanced type. It would meet the needs not only of general readers but also of earnest students who require a thorough grasp of the essential facts and features before taking up specialized study in any branch of the subject. It would also fulfil requirements of the candidates for competitive examinations in which Ancient Indian History and culture is a prescribed subject.

Ancient India Routledge

India's struggle for Independence by Bipin Chandra is your go to book for an in-depth and detailed overview on Indian independence movement. Indian freedom struggle is one of the most important parts of its history. A lot has been written and said about it, but there still remains a gap. Rarely do we get to hear accounts of the independence from the entire country and not just one region at one place. This book fits in perfectly in this gap and also provides a narration on the impact this movement had on the people. Bipin

Chandra's book is a well-documented history of India's freedom struggle against the British rule. It is one of the most accurate books which have been painstakingly written after thorough research based on legal and valid verbal and written sources. It maps the first war of independence that started with Mangal Pandey's mutiny and witnessed the gallant effort of Sri Rani Laxmi Bai. Many of the pages of this book are dedicated to Mahatma Gandhi's non-cooperation and the civil disobedience movements. It contains detailed description of Subash Chandra Bose's weapon heavy tactics and his charisma. This book includes all the independence movements and fights, irrespective of their size and impact, covering India in its entirety. Although these movements varied in means and ideas, but they shared a common goal of independence. This book contains oral and written narratives from different parts of the country, making this book historically rich and diverse. The book captures the evolution of Indian independence struggle in full detail and leaves no chapter of this story untouched. This book is a good read for the students of Indian modern history and especially for students who are preparing for UPSC examination and have taken History as their subject. Poverty and Un-British Rule in India TEAM ARSU

Illustrations: Few Maps Description: This work is the first analytical and comprehensive account of the civilization of Assam from earliest to the present times. Its object is to acquaint the readers with the forces and factors moulding the society and culture of Assam through the ages. It analyses the salient features of Assamese civilization giving proper weightage to the contributions made by different tribes or ethnic groups of both the hills and the plains as well as by the followers of different faiths

towards its growth and development. The work is divided into four parts. Part I gives a brief idea of the present state of Assam. It also discusses the source materials as well as the pre-history and the proto-history of the land. Part II deals with the ancient period beginning with the legendary kings till the dismemberment of the ancient kingdom of Pragjyotisha or Kamarupa in the close of the twelfth century AD. Part III treats the history of the medieval period from the rise of different tribal states on the ruins of the ancient kingdom till the fall of the Ahom monarchy in 1826. Part IV deals with the modern period covering the history of the British rule upto the attainment of the country's independence in 1947. It also contains a chapter dealing briefly with the events after independence. The authoress has made full use of all available sources, published and unpublished, preserved in different libraries within and outside the state. Attempt has been made to make the information up-to-date with proper notes and references and the treatment clear and precise. The work also contains a bibliography, glossary and index.

Political Theory Penguin UK

Arihant has come up with a revised edition of a compendium of over 14000 questions which will significantly improve the knowledge of aspiring students by providing them with ready and reliable practice material for General Studies. The book has been designed for the aspirants preparing for IAS (CSAT), State PCS, CDS, NDA and other competitive examinations. 26 Years UPSC IAS/ IPS Prelims Topic-wise Solved Papers 1 & 2 (1995 - 2020) 11th Edition Disha Publications

This book presents a complete and accessible description of the history of early India. It starts by discussing the origins and growth of civilizations, empires, and religions. It also deals with the geographical, ecological, and linguistic backgrounds, and looks at specific cultures of the Neolithic, Chalcolithic, and Vedic periods, as well as at the Harappan civilization. In addition, the rise of Jainism and Buddhism, Magadha and the beginning of territorial states, and the period of Mauryas, Central Asian countries, Satvahanas, Guptas, and Harshavardhana are also analysed. Next, it stresses varna system, urbanization, commerce and trade, developments in science and philosophy, and cultural legacy. Finally, the process of transition from ancient to medieval India and the origin of the Aryan culture has also been examined.

Methodology And Techniques Of Social Research Disha Publications

Acclaimed to be by far the most sophisticated general study on Indian politics. Politics in India unfolds, here with insight and acumen and the vastness and confusion of the Indian political scene is elaborately discussed. This book is the first comprehensive treatment of the Indian political system examined from different vantage points and drawing together the contribution of various disciplines into a common framework.

Political Theory Arihant Publications India limited

Ramachandra Guha’s India after Gandhi is a magisterial account of the pains, struggles, humiliations and glories of the world’s largest

and least likely democracy. A riveting chronicle of the often brutal conflicts that have rocked a giant nation, and of the extraordinary individuals and institutions who held it together, it established itself as a classic when it was first published in 2007. In the last decade, India has witnessed, among other things, two general elections; the fall of the Congress and the rise of Narendra Modi; a major anti-corruption movement; more violence against women, Dalits, and religious minorities; a wave of prosperity for some but the persistence of poverty for others; comparative peace in Nagaland but greater discontent in Kashmir than ever before. This tenth anniversary edition, updated and expanded, brings the narrative up to the present. Published to coincide with seventy years of the country’s independence, this definitive history of modern India is the work of one of the world’s finest scholars at the height of his powers.
