Solved paper from 1997 to

2015 with the description

International Watercourses

Law for the 21st Century S.

Chand Publishing

Ramachandra Guha 's India

after Gandhi is a magisterial

account of the pains,

struggles, humiliations and

glories of the world 's largest

and least likely democracy. A

riveting chronicle of the often

brutal conflicts that have

rocked a giant nation, and of

the extraordinary individuals

and institutions who held it

together, it established itself as

a classic when it was first

published in 2007. In the last

decade, India has witnessed,

among other things, two

general elections; the fall of

the Congress and the rise of

Narendra Modi; a major anti-

corruption movement; more violence against women, Dalits, and religious minorities; a wave of prosperity for some but the persistence of poverty for others; comparative peace in Nagaland but greater discontent in Kashmir than ever before. This tenth anniversary edition, updated and expanded, brings the narrative up to the present. Published to coincide with seventy years of the country's independence, this definitive history of modern India is the work of one of the world's finest scholars at the height of his powers.

*An Introduction to Political Theory* Oxford University Press

This is new edition contains a comprehensive study of the subject, with the latest thinking by the political scientists of the world today.

**Ancient India** Arihant Publications India limited  
This book presents a complete and accessible description of the history of early India. It starts by discussing the origins and growth of civilizations, empires, and religions. It also deals with the geographical, ecological, and linguistic backgrounds, and looks at

specific cultures of the Neolithic, Chalcolithic, and Vedic periods, as well as at the Harappan civilization. In addition, the rise of Jainism and Buddhism, Magadha and the beginning of territorial states, and the period of Mauryas, Central Asian countries, Satvahanas, Guptas, and Harshavardhana are also analysed. Next, it stresses varna system, urbanization, commerce and trade, developments in science and philosophy, and cultural legacy.

Finally, the process of transition from ancient to medieval India and the origin of the Aryan culture has also been examined. *A Brief History of Modern India* London S.

Sonnenschein 1901.  
This book contains Mill's arguments in favor of a representative form of government, which was in Mill's view the ideal form a government should take. Mill thought that the best government was whatever kind would contribute to the most happiness in a society, both on an individual and an overall level. Democracy in particular creates the most overall happiness

because, in Mill's thinking, it encourages individuals to participate in society. By taking active and intelligent interest in social issues, individuals develop their natural "human sympathies," learn to consider the common good, and are able to enjoy the benefits of working together with others. These types of social feelings of well-being--so important to utilitarians like Mill--simply aren't possible under other forms of government.

PSIR Paper I, II Orient Blackswan

While writing answers special focus is given on Anthropological Thoughts, Diagrams, and works done by Foreign and Indian Anthropologists to develop a holistic understanding on the topic.  
*Apsc Prelims(gs)*  
Routledge  
Contributed articles.  
**India's Struggle for Independence** Motilal Banarsidass Publ.  
This is a comprehensive, intelligible and interesting portrait of Ancient Indian History and Civilization from a national historical point of view. The work is divided into three broad divisions of the natural course of cultural development in Ancient India: (1) From the prehistoric age to 600 B.C., (2) From 600 B.C. to 300 A.D., (3) From 300 A.D. to 1200 A.D. The work describes the political, economic, religious and cultural conditions of the country, the expansionist activities, the colonisation schemes of her rulers in the Far East. Political theories and administrative organizations are also discussed but more stress has been laid on the religious, literary and cultural aspects of Ancient India. The book is of a more advanced type. It would meet the needs not only of general readers but also of

earnest students who require a thorough grasp of the essential facts and features before taking up specialized study in any branch of the subject. It would also fulfil requirements of the candidates for competitive examinations in which Ancient Indian History and culture is a prescribed subject.

**Political Theory** Disha Publications

A comprehensive and lucidly written book, "Strength of Materials" captures the syllabus of most major Indian Universities and competitive examinations as well. The book discusses everything under solids and its mechanics (such as providing different aspects of stresses) and provides the reader with a deeper interest in the subject – all within aptly formed chapters. It also contains typical examples (useful for students appearing in competitive examinations in particular and other students in general), highlights, objective type questions and a large number of unsolved examples for a complete grasp of the subject.
