An Introduction to Political Theory Ramesh Publishing House
This book presents a complete and accessible description of the history of early India. It starts by discussing the origins and growth of civilizations, empires, and religions. It also deals with the geographical, ecological, and linguistic backgrounds, and looks at specific cultures of the Neolithic, Chalcolithic, and Vedic periods, as well as at the Harappan civilization. In addition, the rise of Jainism and

Buddhism, Magadha and the beginning of territorial states, and the period of Mauryas, Central Asian countries, Satvahanas, Guptas, and Harshavardhana are also analysed. Next, it stresses varna system, urbanization, commerce and trade, developments in science and philosophy, and cultural legacy. Finally, the process of transition from ancient to medieval India and the origin of the Aryan culture has also been examined.
Objective Political Science Penguin UK
Comprehensively written, this book presents the political theories, concepts, analysis, thoughts and main currents.

The book begins with introduction to political theory, its history, evolution & approaches while also discussing forms & organs of Government. It progresses to discuss contemporary political analysis in light of American concepts and main currents of Political Thought in detail. This book would be extremely useful for the students pursuing BA Political Science.

Description: This work is the first analytical and comprehensive account of the civilization of Assam from earliest to the present times. Its object is to acquaint the readers with the forces and factors moulding the society and culture of Assam through the ages. It analyses the salient features of Assamese civilization giving proper weightage to the contributions made by different tribes or ethnic groups of both the hills and the plains as well as by the followers of different faiths towards its growth and development. The work is divided into four parts. Part I gives a brief idea of the present state of Assam. It also discusses the source materials as well as the pre-history and the proto-history of the land. Part II deals with the ancient period beginning with the legendary kings till the dismemberment of the ancient kingdom of Pragjyotisha or Kamarupa in the close of the twelfth century AD. Part III treats the history of the medieval period from the rise of

different tribal states on the ruins of the ancient kingdom till the fall of the Ahom monarchy in 1826. Part IV deals with the modern period covering the history of the British rule upto the attainment of the country's independence in 1947. It also contains a chapter dealing briefly with the events after independence. The authoress has made full use of all available sources, published and unpublished, preserved in different libraries within and outside the state. Attempt has been made to

make the information up-to-date with proper notes and references and the treatment clear and precise. The work also contains a bibliography, glossary and index.

Considerations on Representative Government
Oxford University Press

This edited volume presents a comprehensive and

comparative view of the law of international watercourses with special reference to the issues facing the Ganges River basin. It provides an analysis of the development of international waterways law and outlines the essentials of the UN Convention on non-navigational uses of international watercourses. Focusing on relations between the three riparian states of the River Ganges and the potential for cooperation, the volume also examines the domestic legal regimes of the area and the political dimension to the issues of sharing the waters of

the river. The work presents a comparative picture with an analysis of developments in the Rhine and Mekong basins, comparing developments in the legal regimes of these areas with the experience of South Asia. Presenting an up-to-date analysis of the current law and pointing the direction for future developments, this collection will be a valuable resource for academics, researchers and policy makers working in this area.

& Sufficiency, Decision Making & Problem Solving, Interpersonal Skills Including Communication Skills, Logical Reasoning & Analytical Ability, English Language Comprehension, Crack Sets (1-5) with Detailed Explanations. OBJECTIVE Computer Awareness Arihant Publications India limited India ' s struggle for Independence by Bipin Chandra is your go to book for an in-depth and detailed overview on Indian independence movement .

Indian freedom struggle is one of the most important parts of its history. A lot has been written and said about it, but there still remains a gap. Rarely do we get to hear accounts of the independence from the entire country and not just one region at one place. This book fits in perfectly in this gap and also provides a narration on the impact this movement had on the people. Bipin Chandra ' s book is a well-documented history of India's freedom struggle against the British rule. It is

one of the most accurate books which have been painstakingly written after thorough research based on legal and valid verbal and written sources. It maps the first war of independence that started with Mangal Pandey ' s mutiny and witnessed the gallant effort of Sri Rani Laxmi Bai. Many of the pages of this book are dedicated to Mahatma Gandhi ' s non-cooperation and the civil disobedience movements. It contains detailed description of Subash Chandra Bose ' s

weapon heavy tactics and his charisma. This book includes all the independence movements and fights, irrespective of their size and impact, covering India in its entirety. Although these movements varied in means and ideas, but they shared a common goal of independence. This book contains oral and written narratives from different parts of the country, making this book historically rich and diverse. The book captures the evolution of Indian independence struggle in full

detail and leaves no chapter of this story untouched. This book is a good read for the students of Indian modern history and especially for students who are preparing for UPSC examination and have taken History as their subject.
