Essays for Civil Services Ramesh Publishing House
This book contains Mill's arguments in favor of a representative form of government, which was in Mill's view the ideal form a government should take. Mill thought that the best government was whatever kind would contribute to the most happiness in a society, both on an individual and an overall level. Democracy in particular creates the most overall happiness because, in Mill's thinking, it encourages individuals to participate in society. By taking active and intelligent interest in social issues, individuals develop their natural "human sympathies," learn to consider the common good, and are able to enjoy the benefits of working together with others. These types of social feelings of well-being--so important to utilitarians like Mill--simply aren't possible under other forms of government. **Caste in Modern India** Assam Year Book, 2013Essays for Civil Services * Previous year's questions on Indian Modern History of APSC prelims(GS) exam.* Solved paper from 1997 to 2015 with the description

We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.
A Brief History of Modern India Penguin UK
Ramachandra Guha’s India after Gandhi is a magisterial account of the pains, struggles, humiliations and glories of the world’s largest and least likely democracy. A riveting chronicle of the often brutal conflicts that have rocked a giant nation, and of the extraordinary individuals and

institutions who held it together, it established itself as a classic when it was first published in 2007. In the last decade, India has witnessed, among other things, two general elections; the fall of the Congress and the rise of Narendra Modi; a major anti-corruption movement; more violence against women, Dalits, and religious minorities; a wave of prosperity for some but the persistence of poverty for others; comparative peace in Nagaland but greater discontent in Kashmir than ever before. This tenth anniversary edition, updated and expanded, brings the narrative up to the present. Published to coincide with seventy years of the country’s independence, this definitive history of modern India is the work of one of the world’s finest scholars at the height of his powers.
Political Theory Pan Macmillan
The thoroughly revised & updated 2nd edition of the book “The Economy Compendium” has been updated with all the recent developments happened in the economic sphere. An Introduction to Political Theory Macmillan
This edition has been thoroughly revised and enlarged. It is still considered to be a must for all those sitting Civil Engineering examinations.
General Knowledge 2020 Franklin Classics
This book presents a complete and accessible description of the history of early India. It starts by discussing the origins and growth of civilizations, empires, and religions. It also deals with the geographical, ecological, and linguistic backgrounds, and looks at specific cultures of the Neolithic, Chalcolithic, and Vedic periods, as well as at the Harappan civilization. In addition, the rise of Jainism and Buddhism, Magadha and the beginning of territorial states, and the period of Mauryas, Central Asian countries, Satvahanas, Guptas, and Harshavardhana are also analysed. Next, it stresses varna system, urbanization, commerce and trade, developments in science and philosophy, and cultural legacy. Finally, the process of transition from ancient to medieval India and the origin of the Aryan culture has also been examined.
26 Years UPSC IAS/ IPS Prelims Topic-wise Solved Papers 1 & 2 (1995 - 2020) 11th Edition London S. Sonnenschein 1901.
Comprehensively written, this book presents the political theories, concepts, analysis, thoughts and main currents. The book begins with introduction to political theory, its history, evolution & approaches while also discussing forms & organs of Government. It progresses to discuss contemporary political analysis in light of American concepts and main currents of Political Thought in detail. This book would be extremely useful for the students pursuing BA Political Science.
India's Ancient Past S. Chand Publishing
India’s struggle for Independence by Bipin Chandra is your go to book for an in-depth and detailed overview on Indian independence movement . Indian freedom struggle is one of the most important parts of its history. A lot has been written and

said about it, but there still remains a gap. Rarely do we get to hear accounts of the independence from the entire country and not just one region at one place. This book fits in perfectly in this gap and also provides a narration on the impact this movement had on the people. Bipin Chandra’s book is a well-documented history of India's freedom struggle against the British rule. It is one of the most accurate books which have been painstakingly written after thorough research based on legal and valid verbal and written sources. It maps the first war of independence that started with Mangal Pandey’s mutiny and witnessed the gallant effort of Sri Rani Laxmi Bai. Many of the pages of this book are dedicated to Mahatma Gandhi’s non-cooperation and the civil disobedience movements. It contains detailed description of Subash Chandra Bose’s weapon heavy tactics and his charisma. This book includes all the independence movements and fights, irrespective of their size and impact, covering India in its entirety. Although these movements varied in means and ideas, but they shared a common goal of independence. This book contains oral and written narratives from different parts of the country, making this book historically rich and diverse. The book captures the evolution of Indian independence struggle in full detail and leaves no chapter of this story untouched. This book is a good read for the students of Indian modern history and especially for students who are preparing for UPSC examination and have taken History as their subject.
A Textbook of Strength of Materials Arihant Publications India limited
A comprehensive and lucidly written book, “Strength of Materials” captures the syllabus of most major Indian Universities and competitive examinations as well. Politics in India Munshiram Manoharlal Pvt Limited

This edited volume presents a comprehensive and comparative view of the law of international watercourses with special reference to the issues facing the Ganges River basin. It provides an analysis of the development of international waterways law and outlines the essentials of the UN Convention on non-navigational uses of international watercourses. Focusing on relations between the three riparian states of the River Ganges and the potential for cooperation, the volume also examines the domestic legal regimes of the area and the political dimension to the issues of sharing the waters of the river. The work presents a comparative picture with an analysis of developments in the Rhine and Mekong basins, comparing developments in the legal regimes of these areas with the experience of South Asia. Presenting an up-to-date analysis of the current law and pointing the direction for future developments, this collection will be a valuable resource for academics, researchers and policy makers working in this area.
