The educational background of the authors in subjects like Public Administration, Sociology and Philosophy and their practical experience in government has been put to effective use.

Tata McGraw-Hill Education

A thorough and incisive introduction to contemporary India The story of the forging of India, the world's largest democracy, is a rich and inspiring one. This volume, a sequel to the best-selling India's Struggle for Independence, analyses the challenges India has faced and the successes it has achieved, in the light of its colonial legacy and century-long struggle for freedom. The book describes how the Constitution was framed, as also how the Nehruvian political and economic agenda and basics of foreign policy were evolved and developed. It dwells on the

consolidation of the nation, examining contentious issues like party politics in the Centre and the states, the Punjab problem, and anti-caste politics and untouchability. This revised edition offers a scathing analysis of the growth of communalism in India and the use of state power in furthering its cause. It also documents the fall of the National Democratic Alliance in the 2004 General Elections, the United Progressive Alliance's subsequent rise to power and the Indo-US Nuclear Deal that served to unravel the political consensus at the centre. Apart from detailed analyses of Indian economic reforms since 1991 and wide-ranging land reforms and the Green Revolution, this new edition includes an overview of the Indian economy in the new millennium. These, along with objective assessments of Jawaharlal Nehru, Indira Gandhi, Jayaprakash Narayan, Lal Bahadur Shastri, Rajiv Gandhi, Vishwanath Pratap Singh, Atal Bihari Vajpayee and Manmohan Singh, constitute a remarkable overview of a nation on the move.

Knowledge updating is a never-ending process and so should be the revision of an effective textbook. The book originally written fifty years ago has, during the intervening period, been revised and reprinted several times. The authors have, however, been thinking, for the last few years that the book needed not only a thorough revision but rather a substantial rewriting. They now take great pleasure in presenting to the readers the twelfth, thoroughly revised and enlarged, Golden Jubilee edition of the book. The subject-matter in the entire book has been re-written in the light of numerous criticisms and suggestions received from the users of the earlier editions in India and abroad. The basis of this revision has been the

emergence of new literature on the subject, the constructive feedback from students and teaching fraternity, as well as those changes that have been made in the syllabi and/or the pattern of examination papers of numerous universities. A Comprehensive History of Assam Barrons Educational Series

India's struggle for Independence by Bipin Chandra is your go to book for an in-depth and detailed overview on Indian independence movement. Indian freedom struggle is one of the most important parts of its history. A lot has been written and said about it, but there still remains a gap. Rarely do we get to hear accounts of the independence from the entire country and not just one region at one place. This book fits in perfectly in this gap and also provides a narration on the impact this movement had on the people. Bipin Chandra's book is a well-documented history of India's freedom struggle against the British rule. It is one of the most accurate books which have been painstakingly written after thorough research based on legal and valid verbal and written sources. It maps the first war of independence that started with Mangal Pandey's mutiny and witnessed the gallant effort of Sri Rani Laxmi Bai. Many of the pages of this book are dedicated to Mahatma Gandhi's non-cooperation and the civil disobedience movements. It contains detailed description of Subash Chandra Bose's weapon heavy tactics and his charisma. This book includes all the independence movements

and fights, irrespective of their size and impact, covering India in its entirety. Although these movements varied in means and ideas, but they shared a common goal of independence. This book contains oral and written narratives from different parts of the country, making this book historically rich and diverse. The book captures the evolution of Indian independence struggle in full detail and leaves no chapter of this story untouched. This book is a good read for the students of Indian modern history and especially for students who are preparing for UPSC examination and have taken History as their subject.

The EACVI Textbook of Echocardiography Disha Publications

Because police are the most visible face of government power for most citizens, they are expected to deal effectively with crime and disorder and to be impartial. Producing justice through the fair, and restrained use of their authority. The standards by which the public judges police success have become more exacting and challenging. Fairness and Effectiveness in Policing explores police work in the new century. It replaces myths with research findings and provides recommendations for updated policy and practices to guide it. The book provides answers to the most basic questions: What do police do? It reviews how police work is organized, explores the expanding responsibilities of police, examines the increasing diversity among police employees, and discusses the complex interactions between officers and citizens. It also addresses such topics as community policing, use of force, racial profiling, and evaluates the success of common police techniques, such as focusing on crime hot spots. It goes on to look at the issue of legitimacy "how the public gets information about police work, and how police are viewed by different groups, and how police can gain community trust. Fairness and Effectiveness in Policing will be important to anyone concerned about

police work: policy makers, administrators, educators, police supervisors and officers, journalists, and interested citizens.

UPSC McGraw-Hill Education

Illustrations: Few Maps Description: This work is the first analytical and comprehensive account of the civilization of Assam from earliest to the present times. Its object is to acquaint the readers with the forces and factors moulding the society and culture of Assam through the ages. It analyses the salient features of Assamese civilization giving proper weightage to the contributions made by different tribes or ethnic groups of both the hills and the plains as well as by the followers of different faiths towards its growth and development. The work is divided into four parts. Part I gives a brief idea of the present state of Assam. It also discusses the source materials as well as the pre-history and the proto-history of the land. Part II deals with the ancient period beginning with the legendary kings till the dismemberment of the ancient kingdom of Pragjyotisha or Kamarupa in the close of the twelfth century AD. Part III treats the history of the medieval period from the rise of different tribal states on the ruins of the ancient kingdom till the fall of the Ahom monarchy in 1826. Part IV deals with the modern period covering the history of the British rule upto the attainment of the country's independence in 1947. It also contains a chapter dealing briefly with the events after independence. The authoress has made full use of all available sources, published and unpublished, preserved in different libraries within and outside the state. Attempt has been made to make the information up-to-date with proper notes and references and the treatment clear and precise. The work also contains a bibliography, glossary and index.
