The Myth of the Robber Barons Young Americas Foundation PORTRAIT OF AMERICA is an anthology of essays written by some of America's most eminent historians. The collection maintains a loose biographical focus. The essays in this secondary-source reader humanize American history by portraying it as a story of real people with whom students can easily identify. More

than 25 percent of the essays in the Tenth Edition are new, many from books that have been nationally and internationally recognized for their insight, accuracy, and timeliness, ensuring that the readings continue to be provocative and trustworthy. Each selection is preceded by an introduction for context, and a helpful glossary identifies important individuals, events, and concepts. Study questions follow each selection, prompting students to make comparisons between the readings.

American Pageant New Press, The "I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," Leaves of Grass

The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined

together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the common

threads that help us make sense of the past. Without losing sight of politics and power, The American Yawp incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition

of The American Yawp will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. The American Yawp traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and

Reconstruction. Rather than asserting a fixed narrative of American progress, *The American Yawp* gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

Woods Runner

Univ of North Carolina Press
The groundbreaking, bestselling history of slavery, with a new foreword by Pulitzer Prize – winning historian Annette

Gordon-Reed
With the publication of the 1619 Project and the national reckoning over racial inequality, the story of slavery has gripped America's imagination—and conscience—once again. No group of people better understood the power of slavery's legacies than the last generation of American people who had lived as slaves. Little-known

before the first publication of *Remembering Slavery* over two decades ago, their memories were recorded on paper, and in some cases on primitive recording devices, by WPA workers in the 1930s. A major publishing event, *Remembering Slavery* captured these extraordinary voices in a single volume for the first time, presenting them as an

unprecedented, first-person history of slavery in America. Remembering Slavery received the kind of commercial attention seldom accorded projects of this nature—national de reviews as well as extensive coverage on prime-time television, including Good Morning America, Nightline, CBS Sunday Morning, and CNN.

Reviewers called the book “chilling . . . [and] riveting” (Publishers Weekly) and “something, truly, truly new” (The Village Voice). With a new foreword by Pulitzer Prize – winning scholar Annette Gordon-Reed, this new edition of Remembering Slavery is an essential text for anyone seeking to understand one of the most basic and essential chapters in our

collective history. American History Connecting with the Past Wendy Lamb Books Study guide and review for Advanced Placement United States History for the student serious about doing well in the course. It serves as a great resource either while going through the course, or at the end of the course as a review before the AP exam. This book is

directly aligned in the course with "American Pageant" (15th Edition) so the student will do as well as possible during the course. Included are detailed outlines. The outlines link directly to each chapter and to each chapter's sub-sections, thus making it great for a student taking U.S. History and using Bailey and Kennedy's "American Pageant" as his or her main text and who strives to excel

Note: this is the ebook/epub /ipad version. Princeton Review AP European History Premium Prep, 2022 Perfection Learning THE AMERICAN PAGEANT enjoys a reputation as one of the most popular, effective, and entertaining texts on American history. The colorful anecdotes, first-person quotations, and trademark wit bring American history to life. The 16th edition includes a major revision of Part Six (the period from 1945 to the

present), reflecting recent scholarship and providing greater thematic coherence. The authors also condensed and consolidated material on the Wilson presidency and World War I (formerly Chapters 29 and 30) into a new single chapter. A new feature, "Contending Voices," offers paired quotes from original historical sources, accompanied by questions that prompt students to think about conflicting perspectives on controversial subjects. Additional pedagogical aids make THE

AMERICAN PAGEANT accessible to students: part openers and chapter-ending chronologies provide a context for the major periods in American history, while other features present additional primary sources, scholarly debates, and key historical figures for analysis. Available in the following options: THE AMERICAN PAGEANT, Sixteenth Edition (Chapters 1-41); Volume 1: To 1877 (Chapters 1-22); Volume 2: Since 1865 (Chapters 22-41). description or the product text may not be available in the ebook version. American Pageant Cengage Learning The monumental life of Benjamin Rush, medical pioneer and one of our most provocative and unsung Founding Fathers FINALIST FOR THE GEORGE WASHINGTON BOOK PRIZE • AMERICAN LIBRARY ASSOCIATION NOTABLE BOOK OF THE YEAR By the time he was thirty, Dr.

Benjamin Rush had signed the Declaration of Independence, edited Common Sense, toured Europe as Benjamin Franklin's protégé, and become John Adams's confidant, and was soon to be appointed Washington's surgeon general. And as with the greatest Revolutionary minds, Rush was only just beginning his role in 1776 in the American experiment. As the new republic coalesced, he became a visionary writer

and reformer; a medical pioneer whose insights and reforms revolutionized the treatment of mental illness; an opponent of slavery and prejudice by race, religion, or gender; an adviser to, and often the physician of, America's first leaders; and an American Hippocrates." Rush reveals his singular life and towering legacy, installing him in the pantheon of our wisest and boldest Founding Fathers. Praise for Rush "Entertaining Benjamin Rush has been undeservedly forgotten. In medicine . . . [and] as a political thinker, he was brilliant." —The New Yorker "Superb . . . reminds us eloquently, abundantly, what a brilliant, original man Benjamin Rush was, and how his contributions to . . . the United States continue to bless us all." —The Philadelphia Inquirer "Perceptive . . . [a] readable reassessment of Rush's remarkable career." —The Wall Street Journal "An amazing life and a fascinating book." —CBS This Morning "Fried makes the case, in this comprehensive and fascinating biography, that Benjamin Rush merits more attention. . . . Fried portrays Rush as a complex, flawed person and not just a list of accomplishments; . . . a testament to the authorial thoroughness and insight that will keep readers engaged until the last page." —Publishers Weekly (starred

review) “ [An] extraordinary and underappreciated man is reinstated to his rightful place in the canon of civilizational advancement in Rush. . . . Had I read Fried ’ s Rush before the year ’ s end, it would have crowned my favorite books of 2018 . . . [a] superb biography. ” —Brain Pickings Make Peace With Anyone Ams PressInc “ An extremely good writer, [Ayers] is well worth reading . . . on the South and Southern hi

story. ” —Stephen Sears, Boston Globe The Southern past has proven to be fertile ground for great works of history. Peculiarities of tragic proportions—a system of slavery flourishing in a land of freedom, secession and Civil War tearing at a federal Union, deep poverty persisting in a nation of fast-paced development—have fed the imaginations of some of our most accomplished historians. Foremost in

their ranks today is Edward L. Ayers, author of the award-winning and ongoing study of the Civil War in the heart of America, the Valley of the Shadow Project. In wide-ranging essays on the Civil War, the New South, and the twentieth-century South, Ayers turns over the rich soil of Southern life to explore the sources of the nation's and his own history. The title essay, original here, distills his vast research and offers a fresh perspective on

the nation's central historical event.

The Whiskey Rebellion St.

Martin's Press Samuel, 13, spends his days in the forest, hunting for food for his family. He has grown up on the frontier of a British colony, America. Far from any town, or news of the war against the King that American patriots have begun near Boston. But the war comes to them. British soldiers and

Iroquois attack. Samuel ' s parents are taken away, prisoners. Samuel follows, hiding, moving silently, determined to find a way to rescue them. Each day he confronts the enemy, and the tragedy and horror of this war. But he also discovers allies, men and women working secretly for the patriot cause. And he learns that he must go deep into enemy territory to find his parents: all

the way to the British headquarters, New York City. Remembering Slavery Stanford University Press "Linking America's past to the lives of kids today, Howard Egger-Bovet's latest American history production illustrates the power of Feudalism, the Articles of Confederation, the Magna Carta, and the Constitution . These DVDs include original and historical music, puppetry,

and cinematography, and sends kids on an interactive walk through his tory."--Container . Sustaining Global Surveillance and Response to Emerging Zoonotic Diseases Houghton Mifflin College Division First published in 1829, Walker's Appeal called on slaves to rise up and free themselves. The two subsequent versions of his document (including the reprinted 1830 edition published

shortly before Walker's death) were increasingly radical. Addressed to the whole world but directed primarily to people of color around the world, the 87-page pamphlet by a free black man born in North Carolina and living in Boston advocates immediate emancipation and slave rebellion. Walker asks the slaves among his readers whether they wouldn't prefer to "be killed than to be a slave to a

tyrant." He advises them not to "trifle" if they do rise up, but rather to kill those who would continue to enslave them and their wives and children. Copies of the pamphlet were smuggled by ship in 1830 from Boston to Wilmington, North Carolina, Walker's childhood home, causing panic among whites. In 1830, members of North Carolina's General Assembly had the Appeal in mind as they tightened the state's laws

dealing with slaves and free black citizens. The resulting stricter laws led to more policies that repressed African Americans, freed and slave alike. A DOCSOUTH BOOK. This collaboration between UNC Press and the University of North Carolina at Chapel Hill Library brings classic works back into print. DocSouth Books editions are selected from the digital library of Documenting the American South and are

unaltered from the original publication. The DocSouth series uses digital technology to offer e-books and print-on-demand publications, providing affordable and accessible editions to a new generation of scholars, students, and general readers. champions of liberty and defenders of order was long considered the most significant event in the first quarter-century of the new nation. Thomas P. Slaughter recaptures the historical drama and significance of this violent episode in which frontier West and cosmopolitan East battled over the meaning of the American Revolution. The book not only offers the broadest and most comprehensive account of the

Whiskey Rebellion ever written, taking into account the political, social and intellectual contexts of the time, but also challenges conventional understandings of the Revolutionary era. Brinkley, American History: Connecting with the Past UPDATED AP Edition, 2017, 15e, Student Edition Houghton Mifflin College Division
“ Should be in the hands of every history

teacher in the country. ” — Howard Zinn James Loewen has revised Teaching What Really Happened, the bestselling, go-to resource for social studies and history teachers wishing to break away from standard textbook retellings of the past. In addition to updating the scholarship and anecdotes throughout, the second edition features a timely new chapter entitled

"Truth" that addresses how traditional and social media can distort current events and the historical record. Helping students understand what really happened in the past will empower them to use history as a tool to argue for better policies in the present. Our society needs engaged citizens now more than ever, and this book offers teachers concrete ideas for getting students excited about history while also teaching them to read critically. It will specifically help teachers and students tackle important content areas, including Eurocentrism, the American Indian experience, and slavery. Book Features: An up-to-date assessment of the potential and pitfalls of U.S. and world history education. Information to help teachers expect, and get, good performance from students of all racial, ethnic, and socioeconomic backgrounds. Strategies for incorporating project-oriented self-learning, having students conduct online historical research, and teaching historiography. Ideas from teachers across the country who are empowering students by teaching what really happened.

Specific chapters dedicated to five content topics usually taught poorly in today ' s schools.
