AP US History Premium Rutgers University Press

America's History for the AP® Course offers a thematic approach paired with skills-oriented pedagogy to help students succeed in the redesigned AP® U.S. History course. Known for its attention to AP® themes and content, the new edition features a nine part structure that closely aligns with the chronology of the AP® U.S. History course, with every chapter and part ending with AP®-style practice questions. With a wealth of supporting resources, America's History for the AP® Course gives teachers and students the tools they need to master the course and achieve success on the AP® exam.

Barron's AP United States History Teachers College Press

Traces the history of the United States from the arrival of the first Indian people to the present day.

United States History Harper Collins

In this Very Short Introduction, Alan Taylor presents the

current scholarly understanding of colonial America to a broader audience. He focuses on the transatlantic and a transcontinental perspective, examining the interplay of Europe, Africa, and the Americas through the flows of goods, people, plants, animals, capital, and ideas.

We the Corporations: How American Businesses Won Their Civil Rights Perfection Learning

Students preparing for the Advanced Placement U.S. History exam will welcome this revised and updated set of flash cards. The cards encompass the entire AP course and offer students the flexibility to study American history in ways not available with textbooks and study guides. The 500 cards run chronologically from the Colonial era of the early 1600s to the present day, and are divided into seven general categories: Arts and Sciences, Domestic Policies, Presidential Matters, Wars and Foreign Relations, Economy and Business, Legal Issues, and Society and Culture. They are numbered and labeled so that students can arrange them within a chronological time frame or according to any of the above-noted categories. Students can use the enclosed metal ring to rearrange the cards in any order that fits their study needs. Each card has a small corner punch hole to accommodate the ring.

Reading Like a Historian W. W. Norton

Equip your students to excel on the AP® United States History Exam, as updated for 2016 Features "flexibility designed to use in a one-semester or one-year course" "divided into nine chronological periods mirroring the structure of the new AP® U.S. College Board Curriculum Framework, the text reflects the Board's effort to focus on trends rather than isolated facts" "each period features a one-page overview summarizing the major developments of the period and lists the three featured Key Concepts from the College Board Curriculum Framework" "each Think As a Historian feature focuses on one of the nine historical thinking skills that the AP® exam will test" "each chapter narrative concludes with Historical Perspectives, a feature that addresses the College Board emphasis on how historians have interpreted the events of the chapter in various ways" "the chapter conclusion features a list of key terms, people, and

events organized by theme, reflecting the College Board's focus on asking students to identify themes, not just events "chapter assessments include eight multiple-choice items, each tied to a source as on the new AP® exam, as well as four short-answer questions" "period reviews include both long-essay questions and Document-Based Questions in the format of those on the AP® exam, as updated for 2016

A People and a Nation Ingram

Aligned to the latest AP standards, American History, AP edition, shows students that history is not just a collection of names and dates, but an ongoing story which teaches us about the present as well as the past! Known for its clear narrative voice and impeccable scholarship, Alan Brinkley's best-selling text invites students to think critically about the many forces that continually create the United States. In a concise but wide-ranging narrative, Brinkley shows the diversity and complexity of the nation and of our understanding of its history—an understanding that continues to evolve both in the events of the present and in our reexamination of new evidence and perspectives on the past. This 14th edition features a new series of Consider the Source essays, a brand new pedagogy program, four new America in the World essays, and extensive content updates that demonstrate how a new generation of historians and of historical actors continues to shape the American story.

Of Plymouth Plantation, 1620-1647 McDougal Littell

"I too am not a bit tamed—I too am untranslatable / I sound my barbaric yawp over the roofs of the world."—Walt Whitman, "Song of Myself," Leaves of Grass The American Yawp is a free, online, collaboratively built American history textbook. Over 300 historians joined together to create the book they wanted for their own students—an accessible, synthetic narrative that reflects the best of recent historical scholarship and provides a jumping-off point for discussions in the U.S. history classroom and beyond. Long before Whitman and long after, Americans have sung something collectively amid the deafening roar of their many individual voices. The Yawp highlights the dynamism and conflict inherent in the history of the United States, while also looking for the

common threads that help us make sense of the past. Without losing sight of politics and power, *The American Yawp* incorporates transnational perspectives, integrates diverse voices, recovers narratives of resistance, and explores the complex process of cultural creation. It looks for America in crowded slave cabins, bustling markets, congested tenements, and marbled halls. It navigates between maternity wards, prisons, streets, bars, and boardrooms. The fully peer-reviewed edition of *The American Yawp* will be available in two print volumes designed for the U.S. history survey. Volume I begins with the indigenous people who called the Americas home before chronicling the collision of Native Americans, Europeans, and Africans. *The American Yawp* traces the development of colonial society in the context of the larger Atlantic World and investigates the origins and ruptures of slavery, the American Revolution, and the new nation's development and rebirth through the Civil War and Reconstruction. Rather than asserting a fixed narrative of American progress, *The American Yawp* gives students a starting point for asking their own questions about how the past informs the problems and opportunities that we confront today.

American Government Simon and Schuster

Give Me Liberty! is the #1 book in the U.S. history survey course because it works in the classroom. A single-author text by a leader in the field, *Give Me Liberty!* delivers an authoritative, accessible, concise, and integrated American history. 1491 (Second Edition) Oxford University Press

Concise and accessible text structured and written to follow the current AP Course and Exam Description. Content topics provide core narrative of U.S. history organized in short, focused sections. The text is aligned to course exam framework and correlated in the areas of historical thinking skills, reasoning processes, themes, and content. Text includes primary sources, special features, multiple assessment opportunities, and a complete AP U.S. History practice exam. Prior edition available.

American Pageant Cengage Learning

Printed in color. U.S. History is designed to meet the scope and sequence requirements of most introductory courses. The text provides a balanced approach to U.S. history, considering the people, events, and ideas that have shaped the United States from both the top down (politics, economics, diplomacy) and bottom up (eyewitness accounts, lived experience). U.S. History covers key forces that form the American experience, with particular attention to issues of race, class, and gender.

A Voyage Long and Strange McGraw-Hill Education

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- Updated in a new 2011 Alternate edition, *American Government: Roots and Reform* provides the historical context students need to understand our government and the most crucial and controversial issues

affecting the nation in the 21st century. This bestselling book has been extensively revised to provide in-depth coverage of President Barack Obama's first two years in office and the 111th Congress, the 2010 congressional elections, continued concerns related to the wars in Iraq and Afghanistan, and domestic concerns related to health care reform and the economy.

The American Pageant W. W. Norton & Company

Kaplan's AP U.S. History Prep Plus 2020 & 2021 is revised to align with the latest exam. This edition features hundreds of practice questions in the book and online, complete explanations for every question, and a concise review of high-yield content to quickly build your skills and confidence. Test-like practice comes in 3 full-length exams, 18 pre- and post-chapter quizzes, and 9 online quizzes. Customizable study plans ensure that you make the most of the study time you have. We're so confident that U.S. History Prep Plus offers the guidance you need that we guarantee it: after studying with our online resources and book, you'll score higher on the exam—or you'll get your money back. The College Board has announced that the 2021 exam dates for AP U.S. History will be May 6, May 19, or June 2, depending on the testing format. (Each school will determine the testing format for their students.) To access your online resources, go to kaptest.com/moreonline and follow the directions. You'll need your book handy to complete the process. Expert Guidance We know the test—our AP experts make sure our practice questions and study materials are true to the exam. We know students—every explanation is written to help you learn, and our tips on the exam structure and question formats will help you avoid surprises on Test Day. We invented test prep—Kaplan (kaptest.com) has been helping students for 80 years, and 9 out of 10 Kaplan students get into one or more of their top-choice colleges.

Brinkley, American History, AP Edition Macmillan Higher Education

This practical resource shows you how to apply Sam Wineburgs highly acclaimed approach to teaching, "Reading Like a Historian," in your middle and high school classroom to increase academic literacy and spark students curiosity. Chapters cover key moments in American history, beginning with exploration and colonization and ending with the Cuban Missile Crisis.

Colonial America Amsco School Publications

The only AP® U.S. History book that weaves together content, skills, sources, and AP® exam practice is back and better than ever. AP® U.S. History is about so much more than just events on a timeline. The Course Framework is designed to develop crucial reading,

reasoning, and writing skills that help students think like historians to interpret the world of the past—and understand how it relates to the world of today. And *Fabric of a Nation* is still one of the only textbooks that covers every aspect of this course, seamlessly stitching together history skills, sources, and AP® Exam practice. In this new edition, we make it easier than ever to cover all of the skills and topics in the AP® U.S. History Course and Exam Description by aligning our content to the Unit Topics and Historical Reasoning Processes of each Period. An Accessible, Balanced Narrative There's only so much time in a school year. To cover everything and leave enough time for skill development, you need more focused content, not just more content—and to be most effective, skills development should be accessible and placed just where it is needed. Within the narration are AP® Skills Workshops and AP® Working with Evidence features that support students as they learn the history and prepare to take the AP® Exam. *Fabric of a Nation* delivers a thorough, yet approachable historical narrative that perfectly aligns with all the essential content of the AP® course. An up-to-date historical survey based on current scholarship, this book is also easy to understand and fun to read, with plenty of interesting details and a crisp writing style that keeps things fresh. Perfectly Aligned to the AP® Scope and Sequence *Fabric of a Nation* has an easy-to-use organization that fully aligns with the College Board's Course and Exam Description for AP® U.S. History. Instead of long, meandering chapters, this book is divided into smaller, approachable modules that pull together content, skills, sources, and AP® Exam practice into brief 1- to 2-day lessons. Each module corresponds with a specific unit topic in the course framework, including the contextualization and reasoning process topics that bookend each time period. This approach takes the guesswork out of when to introduce which skills and how to blend sources with content—all at a manageable pace that mirrors the scope and sequence of the AP® course framework. Seamlessly Integrated AP® Skill Workshops for Thinking and Writing Skills Inspired by the authors' classroom experience and sound pedagogical principles, the instruction in *Fabric of a Nation* scaffolds learning

throughout the course of the book. Every module offers an opportunity to either learn or practice new skills to prepare for each section of the AP® Exam in an AP® Skills Workshop. As the book progresses, the nature of these workshops moves from focused instruction early on, to guided practice in the middle of the book, and then finally, to independent practice near the end of the year. *Fabric of a Nation* was designed to provide you and your students everything needed to succeed in the AP® US History course and on the exam. It's all there. AP® Exam Practice: We Boast the Most Material Every period culminates with AP® Practice questions providing students a mini-AP® exam with approximately 15 stimulus-based multiple-choice questions, 4 short-answer questions, 1 document-based essay question, and 3 long-essay questions. Additionally, a full-length practice exam is included at the end of the textbook. Because the modules in this book are divided into periods that perfectly align to the AP® U.S. History Course and Exam Description, it's also easy to pair *Fabric of a Nation* with the resources on AP® Classroom. Each textbook module can be used with the corresponding AP® Daily Videos and Topic Questions while the AP® Exam Practice at the end of each period can be supplemented with the Personal Progress Checks from AP® Classroom.

New Myhistorylab -- Standalone Access Card -- for Out of Many
Liveright Publishing

Contains primary source material.

America's History: for the AP® Course Hachette Books
After being diagnosed with terminal cancer, a professor shares the lessons he's learned—about living in the present, building a legacy, and taking full advantage of the time you have—in this life-changing classic. "We cannot change the cards we are dealt, just how we play the hand." —Randy Pausch
A lot of professors give talks titled "The Last Lecture." Professors are asked to consider their demise and to ruminate on what matters most to them. And while they speak, audiences can't help but mull over the same question: What wisdom would we impart to the world if we knew it was our last chance? If we had to vanish tomorrow, what would we want as our legacy?
When Randy Pausch, a computer science professor at

Carnegie Mellon, was asked to give such a lecture, he didn't have to imagine it as his last, since he had recently been diagnosed with terminal cancer. But the lecture he gave—"Really Achieving Your Childhood Dreams"—wasn't about dying. It was about the importance of overcoming obstacles, of enabling the dreams of others, of seizing every moment (because "time is all you have . . . and you may find one day that you have less than you think"). It was a summation of everything Randy had come to believe. It was about living. In this book, Randy Pausch has combined the humor, inspiration and intelligence that made his lecture such a phenomenon and given it an indelible form. It is a book that will be shared for generations to come.
