## A Voyage Long and Strange McGraw-Hill Education

The bestselling author of *Blue Latitudes* takes us on a thrilling and eye-opening voyage to pre-Mayflower America. On a chance visit to Plymouth Rock, Tony Horwitz realizes he's mislaid more than a century of American history, from Columbus's sail in 1492 to Jamestown's founding in 1607-something. Did nothing happen in between? Determined to find out, he embarks on a journey of rediscovery, following in the footsteps of the many Europeans who preceded the Pilgrims to America. An irresistible blend of history, myth, and misadventure, *A Voyage Long and Strange* captures the wonder and drama of first contact. Vikings, conquistadors, French voyageurs—these and many others roamed an unknown continent in quest of grapes, gold, converts, even a cure for syphilis. Though most failed, their remarkable exploits left an enduring mark on the land and people encountered by late-arriving English settlers. Tracing this legacy with his own epic trek—from Florida's Fountain of Youth to Plymouth's sacred Rock, from desert pueblos to subarctic sweat lodges—Tony Horwitz explores the revealing gap between what we enshrine and what we forget. Displaying his trademark talent for humor, narrative, and historical insight, *A Voyage Long and Strange* allows us to rediscover the New World for ourselves.

*The Shame of the Cities* Princeton Review

Students preparing for the Advanced Placement U.S. History exam will welcome

this revised and updated set of flash cards. The cards encompass the entire AP course and offer students the flexibility to study American history in ways not available with textbooks and study guides. The 500 cards run chronologically from the Colonial era of the early 1600s to the present day, and are divided into seven general categories: Arts and Sciences, Domestic Policies, Presidential Matters, Wars and Foreign Relations, Economy and Business, Legal Issues, and Society and Culture. They are numbered and labeled so that students can arrange them within a chronological time frame or according to any of the above-noted categories. Students can use the enclosed metal ring to rearrange the cards in any order that fits their study needs. Each card has a small corner punch hole to accommodate the ring.

*The (Almost) Complete and (Entirely) Entertaining Story of America* Penguin

For the past three decades, many history professors have allowed their biases to distort the way America's past is taught. These intellectuals have searched for instances of racism, sexism, and bigotry in our history while downplaying the greatness of America's patriots and the achievements of "dead white men." As a result, more emphasis is placed on Harriet Tubman than on George Washington; more about the internment of Japanese Americans during World War II than about D-Day or Iwo Jima; more on the dangers we faced from Joseph McCarthy than those we faced from Josef Stalin. A Patriot's History of the United States corrects those doctrinaire biases. In this groundbreaking book, America's discovery, founding, and development are reexamined with an appreciation for the elements of public virtue, personal liberty, and private property that make this nation uniquely successful. This book

offers a long-overdue acknowledgment of America's true and proud history.

In 2014, College Board rolled out a new AP® U.S. History course, which centered less on memorizing content and more on developing skills. Since then, the course has

been modified here and there, but very little has changed in AP® textbooks--content is still king. Until now. Fabric of a Nation is the first book to truly embrace this dramatic shift in the AP® course and in how history is taught. Built from the ground up by long-time AP® leaders Jason Stacy and Matthew Ellington, this book offers a new approach to AP® US History by seamlessly integrating: A brief historical narrative AP® skills practice Primary source documents Exact alignment to the AP® course Now, that's revolutionary!
