S. History Premium Prep 20216 Practice Tests + Complete Content Review + Strategies and Techniques

The Progressive Era, a few brief decades around the turn of the last century, still burns in American memory for its outsized personalities: Theodore Roosevelt, whose energy glinted through his pince-nez; Carry Nation, who smashed saloons with her axe and helped stop an entire nation from drinking; women suffragists, who marched in the streets until they finally achieved the vote; Andrew Carnegie and the super-rich, who spent unheard-of sums of money and became the wealthiest class of Americans since the Revolution. Yet the full story of those decades is far more than the sum of its characters. In Michael McGerr's *A Fierce Discontent* America's great political upheaval is brilliantly explored as the root cause of our modern political malaise. The Progressive Era witnessed the nation's most convulsive upheaval, a time of radicalism far beyond the Revolution or anything since. In response to the birth of modern America, with its first large-scale businesses, newly dominant cities, and an explosion of wealth, one small group of middle-class Americans seized control of the nation and attempted to remake society from bottom to top. Everything was open to question -- family life, sex roles, race relations, morals, leisure pursuits, and politics. For a time, it seemed as if the middle-class utopians would cause a revolution. They accomplished an astonishing range of triumphs. From the 1890s to the 1910s, as American soldiers fought a war to make the world safe for democracy, reformers managed to outlaw alcohol, close down vice districts, win the right to vote for women, launch the income tax, take over the railroads, and raise feverish hopes of making new men and women for a new century. Yet the progressive movement collapsed even more spectacularly as the war came to an end amid race riots, strikes, high inflation, and a frenzied Red scare. It is an astonishing and moving story. McGerr argues convincingly that the expectations raised by the progressives' utopian hopes have nagged at us ever since. Our current, less-than-epic politics must inevitably disappoint a nation that once thought in epic terms. The New Deal, World War II, the Cold War, the Great Society, and now the war on terrorism have each entailed ambitious plans for America; and each has had dramatic impacts on policy and society. But the failure of the progressive movement set boundaries around the aspirations of all of these efforts. None of them was as ambitious, as openly determined to transform people and create utopia, as the progressive movement. We have been forced to think modestly ever since that age of bold reform. For all of us, right, center, and left, the age of "fierce discontent" is long over.

Princeton Review AP European History Premium Prep, 2022 Simon and Schuster

All Access for the AP® U.S. History Exam Book + Web + Mobile Completely Revised for the new 2015 Exam Everything you need to prepare for the Advanced Placement® exam, in a study system built around you! There are many different ways to prepare for an Advanced Placement® exam. What's best for you depends on how much time you have to study and how comfortable you are with the subject matter. To score your highest, you need a system that can be customized to fit you: your schedule, your learning style, and your current level of knowledge. This book, and the online tools that come with it, will help you personalize your AP® U.S. History prep by testing your understanding, pinpointing your weaknesses, and delivering flashcard study materials unique to you. REA's All Access system allows you to create a personalized study plan through three simple steps. Here's how it works: Review the Book: Study the topics tested on the new AP® U.S. History exam and learn proven strategies that will help you tackle any question you may see on test day. Test Yourself and Get Feedback: As you review the book, test yourself with 9 end-of-chapter quizzes and 2 mini-tests. Score reports from your online tests and quizzes give you a fast way to pinpoint what you really know and what you should spend more time studying. Improve Your Score: Armed with your score reports, you can personalize your study plan. Review the parts of the book where you are weakest, and use the REA Study Center to create your own unique e-flashcards, adding to the 100 free cards included with the book. Visit The REA Study Center for a suite of online tools: The best way to personalize your study plan is to get feedback on what you know and what you don't. At the online REA Study Center, you can access three types of assessment: topic-level quizzes, mini-tests, and a full-length practice test. Each of these tools provides true-to-format questions and delivers a detailed score report that follows the topics set by the College Board®. Topic Level Quizzes: Short, 15-minute quizzes are available throughout the review and test your immediate understanding of the topics just covered. Mini-Tests: Two online mini-tests cover what you've studied in each half of the book. These tests are like the actual AP® U.S. History exam, only shorter, and will help you evaluate your overall understanding of the subject. 2 Full-Length Practice Tests - 1 in the Book and 1 Online After you have finished reviewing the book, take our full-length practice exams to test what you've learned. These practice tests give you the most complete picture of your strengths and weaknesses. The online exam includes the added benefits of timed testing, automatic scoring, and a detailed score report. Improving Your Score with e-Flashcards: With your score reports from the quizzes and tests, you'll be able to see exactly which AP® U.S. History topics you need to review. Use this information to create your own flashcards for the areas where you are weak. And, because you will create these flashcards through the REA Study Center, you'll be able to access them from any computer or smartphone. REA's All Access test prep is a must-have for students taking the AP® U.S. History exam!

McGraw Hill Professional

Students preparing for the Advanced Placement U.S. History exam will welcome this revised and updated set of flash cards. The cards encompass the entire AP course and offer students the flexibility to study American history in ways not available with textbooks and study guides. The 500 cards run chronologically from the Colonial era of the early 1600s to the present day, and are divided into seven general categories: Arts and Sciences, Domestic Policies, Presidential Matters, Wars and Foreign Relations, Economy and Business, Legal Issues, and Society and Culture. They are numbered and labeled so that students can arrange them within a chronological time frame or according to any of the above-noted categories. Students can use the enclosed metal ring to rearrange the cards in any order that fits their study needs. Each card has a small corner punch hole to accommodate the ring.

A Survey John Wiley & Sons

Report on the Condition of the South is a title written by Carl Christian Schurz, who was a German revolutionary and an American statesman, journalist, and reformer. Schurz was sent through the South to make a tour and report on the economic conditions there. This book represents not only the information the author gathered, but provides us also with his insight into the topic of slavery.

[6 Practice Tests + Complete Content Review + Strategies & Techniques](#) McGraw-Hill Education

This hugely influential work marked a turning point in US history and culture, arguing that the nation ' s expansion into the Great West was directly linked to its unique spirit: a rugged individualism forged at the juncture between civilization and wilderness, which – for better or worse – lies at the heart of American identity today. Throughout history, some books have changed the world. They have transformed the way we see ourselves – and each other. They have inspired debate, dissent, war and revolution. They have enlightened, outraged, provoked and comforted. They have enriched lives – and destroyed them. Now Penguin brings you the works of the great thinkers, pioneers, radicals and visionaries whose ideas shook civilization and helped make us who we are.

Princeton Review AP U. S. History Premium Prep 2022 Penguin UK

"Limerick is one of the most engaging historians writing today." --Richard White The "settling" of the American West has been perceived throughout the world as a series of quaint, violent, and romantic adventures. But in fact, Patricia Nelson Limerick argues, the West has a history grounded primarily in economic reality; in hardheaded questions of profit, loss, competition, and consolidation. Here she interprets the stories and the characters in a new way: the trappers, traders, Indians, farmers, oilmen, cowboys, and sheriffs of the Old West "meant business" in more ways than one, and their descendents mean business today.
