The AQA GCSE maths specification is made up of all the key topics within the mathematics curriculum. The examination is terminal and is made up of three test papers that each student must sit.

There are two tiers, foundation and higher. The foundation tier enables students to achieve up to a level 5. The higher tier enables students to achieve a level 4-9.

Completing GCSE Maths
AQA past papers is a
fantastic way to
practice your skills
and gain some valuable
exam practice and
revision. Our
selection of GCSE
Maths AQA past papers
are available for both

the higher and foundation tiers, and also come complete with the mark scheme, so you can check your answers once you have finished attempting the questions.

Past papers - AQA

All About Maths

Search for modified papers. We only publish question papers and mark schemes for some current specifications, in the year following the exam. See what's available when for more information. Some question papers and mark schemes are no longer available after three years, due to copyright restrictions (except for Maths and Science). Teachers can get past papers earlier, from 10

days after the exam, in the secure key materials (SKM) area of our extranet, e-AQA .
