"All the tips and tricks you need for exam success" - Emma Thoennisen, Teacher of German, Leek High School & Examiner for IGCSE German "Extremely student-friendly and accessible - a book every GCSE German student should have!" - Graham Samuels, Teacher of French & German,

Woodbridge High School

Romeo and Juliet
Oxford University Press - Children
This series has been developed specifically for the Cambridge International AS & A Level Mathematics (9709) syllabus to be examined from 2020. Cambridge International AS & A Level Mathematics: Mechanics matches the corresponding unit of the syllabus, with clear and logical progression through. It contains materials on topics such as velocity and acceleration, force and motion, friction, connected particles, motion in a straight line, momentum, and work and energy. This coursebook contains a variety of features including

recap sections for students to check their prior knowledge, detailed explanations and worked examples, end-of-chapter and cross-topic review exercises and 'Explore' tasks to encourage deeper thinking around mathematical concepts. Answers to coursebook questions are at the back of the book.
A Textbook of Biology Coordination Group Publication
From the Royal Shakespeare Company – a fresh new edition of Shakespeare's magnificent tragedy of love, jealousy and explosive racial politics
THIS EDITION INCLUDES: • An illuminating introduction to Othello by award-

winning scholar Jonathan Bate • The play - with clear and authoritative explanatory notes on each page • A helpful scene-by-scene analysis and key facts about the play • An introduction to Shakespeare's career and the Elizabethan theatre • A rich exploration of approaches to staging the play featuring photographs of key productions
The most enjoyable way to understand a Shakespeare play is to see it or participate in it. This unique edition presents a historical overview of Othello in performance, recommends film versions, takes a detailed look at specific productions and includes interviews with two leading directors and

an actor – Trevor Nunn, Michael Attenborough and Antony Sher – so that we may get a sense of the extraordinary variety of interpretations that are possible, a variety that gives Shakespeare his unique capacity to be reinvented and made 'our contemporary' four centuries after his death. Ideal for students, theatre-goers, actors and general readers, the RSC Shakespeare plays offer an accessible and contemporary approach to reading and rediscovering Shakespeare's works for the twenty-first century.
