### Pearson REVISE AQA GCSE Combined Science Trilogy (Foundation) Model Answers Workbook - 2025 and 2026 Exams Hodder Education

The aim of this booklet is to enable teachers, publishers, awarding bodies and others to achieve a common understanding of important terms that arise from practical work in secondary science, consistent with the terminology used by professional scientists. This vocabulary underpins all empirical science and so is applicable not only to school science experiments but also to evaluating aspects of scientific claims made in the public domain.
