A new adventure hatches in the first book of the Inheritance Cycle, perfect for fans of *Lord of the Rings*! This New York Times bestselling series has

sold over 35 million copies and is an international fantasy sensation. When fifteen-year-old Eragon finds a polished blue stone in the forest, he thinks it is the lucky discovery of a poor farm boy. But when the stone brings a dragon hatchling, Eragon soon realizes he has stumbled upon a legacy nearly as old as the Empire itself. Overnight his simple life is shattered, and, gifted with only an ancient sword, a loyal dragon, and sage advice from an old storyteller, Eragon is soon swept into a dangerous tapestry of magic, glory, and power. Now his choices could save—or destroy—the Empire. Features interlocking art that reveals an image across the spines of all four books! And don't miss the most recent book set in Eragon's world, *The Fork, the Witch, and the Worm: Tales from Alagaësia*! "Christopher Paolini is a true rarity." --*The Washington Post*
Skeleton Key Simon and Schuster

A gripping wilderness adventure and survival story It was getting colder. Johnny pulled the fur-lined hood of his parka over his head and walked towards his own cabin with the sound of snow crunching beneath his boots. "He should be back tomorrow," he thought, as a star raced across the sky just below the North Star. "He should be back tomorrow for sure." Seventeen-year-old Johnny Least-Weasel knows that his grandfather Albert is a stubborn old man and won't stop checking his own traplines even though other men his age stopped doing so years ago. But Albert Least-Weasel has been running traplines in the Alaskan wilderness alone for the past sixty years. Nothing has ever gone wrong on the trail he knows so well. When Albert doesn't come back from checking his traps, with the temperature steadily plummeting, Johnny must decide quickly whether to trust his grandfather or his own instincts. Written in alternating chapters that relate the parallel stories of Johnny and his grandfather, John Smelcer's *The Trap* poignantly addresses the hardships of life in the far north, suggesting that the most dangerous traps need not be made of steel.

There is nothing to be found in the pages of *A Series of Unfortunate Events* but misery and despair. You still have time to choose another international best-seller to read. But if you must know what unpleasantries befall the charming and clever Baudelaire children read on... In *The Wide Window* we encounter a story that includes a hurricane, a signalling device, hungry leaches, cold cucumber soup, a horrible villain and a doll named Pretty Penny. With 5 million copies sold in the UK alone, one might consider Lemony Snicket's *A Series of Unfortunate Events* to make him one of the most successful children's authors of the past decade. We, however, consider these miserable so-called adventure stories and the Hollywood film starring Jim Carrey that accompanied the books for children as nothing more than a dreadful mistake.
