#### Arbitration - Wikipedia

Arbitration is a form of Alternative Dispute Resolution in which the parties work out the disputed issue without going to court. An impartial third party, known as an Arbitrator, is chosen by the parties to listen to their case and make a decision.

No one imposes a resolution on the parties. In arbitration, participation is typically voluntary, and there is a third party who, as a private judge, imposes a resolution. Arbitrations often occur because parties to contracts agree that any future dispute concerning the agreement will be resolved by arbitration.
