A tour of the American light verse tradition includes pieces of sardonic verse and comic invention by such contributors as Ambrose Bierce, Kenneth Koch, T. S. Eliot, F. Scott Fitzgerald, and Ogden Nash.

[Archy Does His Part](#) Citadel Press

Generations of readers have delighted in the work of the great American humorist Don Marquis, who was frequently compared to Mark Twain. These free-verse poems, which first appeared in Marquis's New York newspaper columns, revolve around the escapades of Archy, the philosophical cockroach who was once a poet, and Mehitabel, a streetwise alley cat who was once Cleopatra. Reincarnated as the lowest creatures on the social scale, they prowl the rowdy streets of New York City in between the world wars. The antics of these two immortal characters are now made available for the first time in their original order of publication in this unique, comprehensive collection, which features many poems never before reprinted. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

Follows the adventures of Hyman Kaplan, a student at the American Night Preparatory School for Adults, as he wages war with the English language

[A Reading of Life with Other Poems](#) Penguin

A novel is a story, a collection of experiences transmitted from the mind of one to the mind of another. It offers a way to unwind, a way to focus, a way to learn about life—distraction, entertainment, and diversion. But it can also be something much more powerful. When read at the right time in your life, a novel can—quite literally—change it. The *Novel Cure* is a reminder of that power. To create this apothecary, the authors have trawled through two thousand years of literature for the most brilliant minds and engrossing reads. Structured like a reference book, it allows readers to simply look up their ailment, whether it be agoraphobia, boredom, or midlife crisis, then they are given the name of a novel to read as the antidote.

[The Humane Interface](#) Archy and Mehitabel

The first book of prose published by either James Thurber or E. B. White, *Is Sex Necessary?* combines the humor and genius of both authors to examine those great mysteries of life -- romance, love, and marriage. A masterpiece of drollery, this 75th Anniversary Edition stands the test of time with its sidesplitting spoof of men, women, and psychologists; more than fifty funny illustrations by Thurber; and a new foreword by John Updike.

[Nine Horses](#) Carroll & Graf Publishers

Nicola Lancaster is spending her summer at the Siegel

Institute, a hothouse of smart, intense teenagers. She soon falls in with Katrina (Manic Computer Chick), Isaac (Nice-Guy-Despite-Himself), Kevin (Inarticulate Composer) . . . and Battle, a beautiful blond dancer. The two become friends--and then, startlingly, more than friends. What do you do when you think you're attracted to guys, and then you meet a girl who steals your heart? A trailblazing debut, reissued with an introduction by acclaimed author David Levithan, and copious back matter, including three graphic novel stories by Sara Ryan (and artists Steve Leiber, Dylan Meconis, and Natalie Nourigat) about the characters.

[The Best of Archy and Mehitabel](#) Penguin

Of all the literary genres, humor has the shortest shelf life—except for Archy and Mehitabel, that is. First published in 1916, it is a classic of American literature. Archy is a cockroach, inside whom resides the soul of a free-verse poet; he communicates with Don Marquis by leaping upon the keys of the columnist's typewriter. In poems of varying length, Archy pithily describes his wee world, the main fixture of which is Mehitabel, a devil-may-care alley cat.

[The Revolt of the Oyster](#) HarperCollins

Nine Horses, Billy Collins' s first book of new poems since *Picnic*, *Lightning* in 1998, is the latest curve in the phenomenal trajectory of this poet' s career. Already in his forties when he debuted with a full-length book, *The Apple That Astonished Paris*, Collins has become the first poet since Robert Frost to combine high critical acclaim with broad popular appeal. And, as if to crown this success, he was appointed Poet Laureate of the United States for 2001 – 2002, and reappointed for 2002 – 2003. What accounts for this remarkable achievement is the poems themselves, quiet meditations grounded in everyday life that ascend effortlessly into eye-opening imaginative realms. These new poems, in which Collins continues his delicate negotiations between the clear and the mysterious, the comic and the elegiac, are sure to sustain and increase his audience of avid readers.

[Archy and Mehitabel](#) UPNE

America's beloved archy and mehitabel finally return in these entrancing uncollected stories.

[Essays of E. B. White](#) Farrar, Straus and Giroux

James Fenton, a Whitbread-winning poet praised for his own love poetry, gathers together the best lyric poems originating in the English language. Ranging from the sixteenth century to the present day, *The New Faber Book of Love Poems* contains a fantastic mix of classics and popular favourites, as well as blues lyrics, American folk poetry, Elizabethan lyrics and Broadway songs.

There are poems by men about women, women about men, men about men and women about women - in short, something for everyone, and a must-have for everyone's bookshelf.

[No Land in Sight](#) Addison-Wesley Professional

A selection of the best of the hilarious free-verse poems by the irreverent cockroach poet Archy and his alley-cat pal Mehitabel. Don Marquis' s famous fictional insect appeared in his newspaper columns from 1916 into the 1930s, and he has delighted generations of readers ever since. A poet in a former life, Archy was reincarnated as a bug who expresses himself by diving headfirst onto a typewriter. His sidekick Mehitabel is a streetwise feline who claims to have been Cleopatra in a previous life. As E. B. White wrote in his now-classic introduction, the Archy poems "contain cosmic reverberations along with high comedy" and have "the jewel-like perfection of poetry." Adorned with George Herriman' s whimsical illustrations and including White' s introduction, our *Pocket Poets* selection—the only hardcover Archy and Mehitabel in print—is a beautiful volume, and perfectly sized for its tiny hero.

[A Fable from the Lives and Times of Archy and Mehitabel](#) BoD - Books on Demand

This beloved illustrated classic tells the tale of Archy, a philosophical cockroach, and Mehitabel, a cat in her ninth life. Generations of readers have delighted in the work of the great American

humorist Don Marquis. Marquis's satirical free-verse poems, which first appeared in his New York newspaper columns in 1916, revolve around the escapades of Archy, a philosophical cockroach who was a poet in a previous life, and Mehitabel, a streetwise alley cat who was once Cleopatra. Reincarnated as the lowest creatures on the social scale, they prowl the rowdy streets of New York City in between the world wars, and Archy records their experiences and observations on the boss's typewriter late at night. First published in 1927, Archy and Mehitabel has become a celebrated part of the twentieth-century American literary canon.

[Waiting for Bojangles](#) Random House

[BOOK MARKS](#) is an imaginative journey through artist Barbara Page's reading history, interwoven with memories prompted by the hundreds of titles depicted.

At the heart of the book are over 430 artworks on repurposed library checkout cards, part of an ongoing art project housed in an antique two-drawer library case. Each richly illustrated "book mark" represents a title that has left an imprint on Page's life. Arranged chronologically in the order the books were read, the sections of plates correspond to the stages of her life undertaken in the individual chapters—child, young housewife, pilot, artist, widow, and traveler. The added layer of the author's personal history—sometimes whimsical, often fragmented—illuminates how the "mark" left by a book is anchored not only to its contents, but also to the memories associated with it, whether a hike guided by Alfred Wainwright through England's Nannycatch Valley or a drive to Boston listening to Tuesdays with Morrie. A bibliophile's delight that will touch and inspire readers of any genre! Includes a complete bibliographic list of 434 titles—fiction, science, art, gardening, travel, history, biography, aviation, ecology, children's literature, and more—plus trivia on their publishing history; author and title indices for easy cross reference; and bound with two ribbon bookmarks, so readers can simultaneously mark their place in the plate section and corresponding page in the chapter.

[The New Faber Book of Love Poems](#) Modern Library

An "oddball fairy tale" (*The New York Times*)—shortlisted for one of France' s highest literary prizes—a dark, funny, and wholly charming novel about a young boy and his eccentric family, who grapple with the realities of mental illness in unique and whimsical ways. A young boy lives with his madcap parents, Louise and George, and an exotic bird in a Parisian apartment, where the unopened mail rises in a tower by the door and his parents dance each night to Nina Simone' s mellifluous classic "Mister Bojangles." As his mother, mesmerizing and unpredictable, descends deeper into her own mind, it is up to the boy and his father to keep her safe—and, when that fails, happy. Fleeing Paris for a country home in Spain, they come to understand that some of the most radiant people bear the heaviest burdens. Told from the perspective of a young boy who idolizes his parents—and from George' s journals, detailing his epic love story with his wife—*Waiting for Bojangles* is a "lighthearted and yet sorrowful tale" (*San Francisco Chronicle*) that will stay with you long after the final page.
