exploration of the Arctic, a National Book Award winner, is “one of the finest books ever written about the far North” (Publishers Weekly). “The nation’s premier nature writer” travels to a landscape at once barren and beautiful, perilous and alluring, austere yet teeming with vibrant life, and shot through with human history (San Francisco Chronicle). The Arctic has for centuries been a destination for the most ambitious

explorers—a place of dreams, fears, and awe-inspiring spectacle. This “dazzling” account by the author of *Of Wolves and Men* takes readers on a breathtaking journey into the heart of one of the world’s last frontiers (The New York Times). Based on Barry Lopez’s years spent traveling the Arctic regions in the company of Eskimo hunting parties and scientific expeditions alike, *Arctic Dreams* investigates the unique terrain of the human mind,

thrown into relief against the vastness of the tundra and the frozen ocean. Eye-opening and profoundly moving, it is a magnificent appreciation of how wilderness challenges and inspires us. Renowned environmentalist and author of *Desert Solitaire* Edward Abbey has called *Arctic Dreams* “a splendid book . . . by a man who is both a first-rate writer and an uncompromising defender of the wild country and its native inhabitants”—and the New

---

Yorker hails it as a “landmark” work of travel writing. A vivid, thoughtful, and atmospheric read, it has earned multiple prizes, including the National Book Award, the Christopher Medal, the Oregon Book Award, and a nomination for the National Book Critics Circle Award. This ebook features an illustrated biography of Barry Lopez including rare images and never-before-seen documents from the author’s personal

collection.

three dimensional objects; and videos, sound recordings and computer discs. *Resistance* Open Road Media In this New York Times bestseller, the White House chief usher for nearly three decades offers a behind-the-scenes look at America's first families. J. B. West, chief usher of the White House, directed the operations and maintenance of 1600 Pennsylvania Avenue—and coordinated its daily life—at the request of the president and his family. He directed state functions; planned parties, weddings and funerals, gardens and playgrounds, and extensive renovations; and, with a large

---

staff, supervised every activity in the presidential home. For twenty-eight years, first as assistant to the chief usher, then as chief usher, he witnessed national crises and triumphs, and interacted daily with six consecutive presidents and first ladies, as well as their parents, children and grandchildren, and houseguests—including friends, relatives, and heads of state. J. B. West, whom Jackie Kennedy called “one of the most extraordinary men I have ever met,” provides an absorbing, one-of-a-kind history of life among the first ladies. Alive with anecdotes ranging from Eleanor Roosevelt’s fascinating political strategies to Jackie Kennedy’s tragic loss and

the personal struggles of Pat Nixon, *Upstairs at the White House* is a rich account of a slice of American history that usually remains behind closed doors. Arctic Dreams New York : Scribner

Crow and Weasel, two young men from the northern plains, set out to travel farther than their people have ever traveled, crossing rivers and mountains, encountering danger, and learning the meaning of friendship.

Home Ground Trinity University Press

With its thirty-three essays, *This Impermanent Earth* charts the course of the American literary response to the twentieth century’s accumulation of environmental deprivations. Arranged chronologically from 1974 to the present, the works have been culled from *The Georgia Review*, long considered an important venue for nonfiction among literary magazines published in the United States. The essays range in subject matter from twentieth-century examples of what was then called nature writing, through writing after 2000 that gradually redefines the environment in increasingly

---

human terms, to a more inclusive expansion that considers all human surroundings as material for environmental inquiry. Likewise, the approaches range from formal essays to prose works that reflect the movement toward innovation and experimentation. The collection builds as it progresses; later essays grow from earlier ones. This *Impermanent Earth* is more than a historical survey of a literary form, however. The *Georgia Review*'s talented writers and its longtime commitment to the art of editorial practice have produced a collection that is, as one reviewer put it, "incredibly moving, varied, and inspiring." It is a book that will be as at home in the reading room as in the classroom.

*Heart of Darkness* (Fifth International Student Edition) (Norton Critical Editions) Routledge  
WITH AN INTRODUCTION BY ROBERT MACFARLANE  
Lopez's journey across our frozen planet is a celebration of the Arctic in all its guises. A hostile landscape of ice, freezing oceans and dazzling skylines. Home to millions of diverse animals and people. The stage to massive migrations by land, sea and air. The setting of epic exploratory voyages. And, in

crystalline prose, Lopez captures the magic of the Arctic - the essential mystery and beauty of a continent that has enchanted man's imagination and ambition for centuries.

Landmarks University of Georgia Press

The six stories in *Outside* show Barry Lopez's majestic talent as a fiction writer. Lopez writes in spare prose, but his narratives resonate with an uncanny power. With a reverence for our exterior and interior landscapes, these stories offer profound insight into the relationships between humans and animals, creativity and beauty, and ultimately, life and death. In

“ Desert Notes, ” the narrator says, the narrators pass into permeable  
“ All my life I have wanted to trick realms of nature, recalling a time  
blood from a rock. ” The story when humans and animals spoke  
proceeds to instruct the visitor on the same language. Lopez ’ s gift is  
how to experience the desert but to imagine a reality where humans  
continues like no ordinary field can be so embedded in the natural  
guide. At stake here is what is at the world that the boundaries between  
furthest edge of our grasp. “ You inner and outer fall away. Again and  
will think you have hold of the idea again, whether describing a Navajo  
when you have only the hold of its rug possessing the essence of its  
clothing. ” Rattlesnakes, the shell maker, or a boy who can change  
of a beetle, a few twigs, silence--out places with his half-coyote dog  
of these spare elements Lopez (named Leaves), or a teacher whose  
conjures a realm that shimmers with presence brings into question the  
an elusive but palpable presence. meaning of friendship, Lopez  
“ The Search for the Heron ” and portrays elemental and sacred  
“ Within Birds ’ Hearing ” places. His prose transcends its  
present encounters with animals simplicity to enter spaces of wonder  
that are imbued with spiritual--and and mystery. As James Perrin  
often inexplicable--exchanges. In Warren says in his compelling  
solitary, almost visionary episodes, introduction, “ Lopez ’ s narrators

bear witness to extraordinary patterns and purposes . . . The  
storyteller is vital to the community and to a healthy landscape, but the  
vital relationship is also reciprocal. . . We participate, along with Lopez,  
in the long history of storytelling.  
We become part of the atmosphere in which wisdom shows itself. ”  
Barry Moser ’ s eleven  
otherworldly, densely layered  
engravings accompany the text.  
Each provides a meditative  
experience that parallels Lopez ’ s  
complex sense of our relationship  
to nature. An afterword by Lopez  
closes this dramatically original  
collaboration. Outside brings  
together Barry Lopez, best known  
for his National Book  
Award – winning Arctic Dreams;

Vintage

A fascinating journey through 1,000 years of human exploitation and exploration of the sea.

Of Wolves and Men Random House

Resisting the various forms of realism popular during the Meiji

"enlightenment," Izumi Kyoka (1873-1939) was among the most popular writers who continued to work in the old-fashioned genres of fantasy, mystery, and romance. Gothic Tales makes available for the first time a collection of stories by this highly influential writer, whose decadent romanticism led him to envision an idiosyncratic world--a fictive purgatory --precious and bizarre though always genuine despite its melodramatic formality. The four stories presented here are among Kyoka's best-known works. They are drawn from four stages of the author's

development, from the "conceptual novels" of 1895 to the fragmented romanticism of his mature work. In the way of introduction, Inouye presents a clear analysis of Kyoka's problematic stature as a "great gothic writer" and emphasizes the importance of Kyoka's work to the present reevaluation of literary history in general and modern Japanese literature in particular. The extensive notes that follow the translation serve as an intelligent guide for the reader, supplying details about each of the stories and how they fit into the pattern of mythic development that allowed Kyoka

---

to deal with his fears in a way that sustained his life and, as Mishima Yukio put it, pushed the Japanese language to its highest potential.

Stories that “celebrate the web of nature that holds the world together” from the New York Times – bestselling author of *Of Wolves and Men* (The Philadelphia Inquirer). Barry Lopez, the National Book Award – winning author of *Arctic Dreams*, has written eloquently on what it means to be human, taking the demands

and gifts of the natural world as a frame and setting for his far-reaching narratives. In this evocative and unforgettable collection of stories, he carries the reader from desert to prairie, from countryside to city streets, in pursuit of the urgent experiences that come with the questioning life. These stories follow a determined explorer's search for a vanished river in Nebraska; convey the strange death song of a doomed white buffalo herd; and share a mystic's vision of the universe, revealed in a whirling pattern of levitating stones. Whether describing a life-changing

encounter on an empty Caribbean beach or an unexpected wonder on a snowy New York evening, *Winter Count* is an affecting and enduring collection that will stay with the reader long after the final page. This ebook features an illustrated biography of Barry Lopez including rare images and never-before-seen documents from the author's personal collection.

*Fifty Key Thinkers on the Environment* Andrews McMeel Publishing  
Prankster, warrior, seducer, fool – Old Man Coyote is the most enduring legend in

---

Native American culture. Crafty and cagey – often the victim of his own magical intrigues and lusty appetites – he created the earth and man, scrambled the stars and first brought fire . . . and death. Barry Lopez – National Book Award-winning author of *Arctic Dreams* and recipient of the John Burroughs Medal for his bestselling masterwork *Of Wolves and Men* – has collected sixty-eight tales from forty-two tribes, and brings to life a timeless myth that abounds with sly wit, erotic adventure, and rueful wisdom.

*River Notes* Open Road Media National Book Award Finalist: A “ brilliant ” study of the science and mythology of the wolf by the New York Times – bestselling author of *Arctic Dreams* (The Washington Post). When John Fowles reviewed *Of Wolves and Men*, he called it “ A remarkable book, both biologically absorbing and humanly rich, and one that should be read by every concerned American. ” In this National Book Award – shortlisted work, literary master Barry Lopez guides us through the world of

the wolf and our often-mistaken perceptions of another species ’ place on our shared planet. Throughout the centuries, the wolf has been a figure of fascination and mystery, and a major motif in literature and myth. Inspiring fear and respect, the creature has long exerted a powerful influence on the human imagination. *Of Wolves and Men* takes the reader into the world of the *Canis lupus* and its relationship to humankind through the ages. Lopez draws on science, history, mythology, and his own field research to present a compelling portrait of wolves both real and imagined,

---

dispelling our fear of them while celebrating their place in our history, legends, and hearts. This ebook features an illustrated biography of Barry Lopez including rare images and never-before-seen documents from the author's personal collection.

My Last Continent Vintage

The death song of the white buffalo...a snowfall of herons alighting on a New York street...A mystic who makes stones rise from the desert floor...the startling disappearance of a river.... "Winter Count" consists of nine intoxicating tales of revelation, singular recorded

moments of clarity, magic and overwhelming truth, from the National Book Award-winning author of Arctic Dreams and recipient of the John Burroughs Medal for distinguished natural history writing. Copyright © Libri GmbH. All rights reserved. Crow and Weasel Vintage The acclaimed National Book Award winner gives us a collection of spellbinding new essays that, read together, form a jigsaw-puzzle portrait of an extraordinary man. With the publication of his best-selling *Of Wolves and Men*, and with the astonishing originality of *Arctic Dreams*, Barry Lopez established himself as that rare writer whose every book is an

event, for both critics and his devoted readership. Now, in *About This Life*, he takes us on a literal and figurative journey across the terrain of autobiography, assembling essays of great wisdom and insight. Here is far-flung travel (the beauty of remote Hokkaido Island, the over-explored Galápagos, enigmatic Bonaire); a naturalist's contention (Why does our society inevitably strip political power from people with intimate knowledge of the land small-scale farmers, Native Americans, Eskimos, cowboys?); and pure adventure (a dizzying series of around-the-world journeys with air freight everything from penguins to pianos). And here, too, are seven exquisite memory pieces hauntingly lyrical yet unsentimental

---

recollections that represent Lopez's most personal work to date, and which will be read as classics of the personal essay for years to come. In writing about nature and people from around the world, by exploring the questions of our age, and, above all, by sharing a new openness about himself, Barry Lopez gives us a book that is at once vastly erudite yet intimate: a magically written and provocative work by a major American writer at the top of his form.

Illustrated with watercolor paintings, a gift book follows a young man on a spiritual journey through the frozen

wilderness of the northeast in search of a family of wolverines and the source of their mysterious power over his life. UP.

Barry Lopez Papers Open Road Media  
ONE OF THE BEST BOOKS OF THE YEAR: THE NEW YORK TIMES • NPR • THE GUARDIAN From pole to pole and across decades of lived experience, National Book Award-winning author Barry Lopez delivers his most far-ranging, yet personal, work to date. Horizon moves indelibly, immersively, through the author ' s travels to six regions of the world: from Western Oregon to the High Arctic; from

the Gal á pagos to the Kenyan desert; from Botany Bay in Australia to finally, unforgettably, the ice shelves of Antarctica. Along the way, Lopez probes the long history of humanity ' s thirst for exploration, including the prehistoric peoples who trekked across Skraeling Island in northern Canada, the colonialists who plundered Central Africa, an enlightenment-era Englishman who sailed the Pacific, a Native American emissary who found his way into isolationist Japan, and today ' s ecotourists in the tropics. And always, throughout his journeys to some of the hottest, coldest, and most desolate places on the globe, Lopez searches for meaning and purpose in a broken

---

world.
