So I'm watching the F1 race on TV that's taking place in Montreal right

now, and I was wondering if the cars are automatic or manual, and are they all...

The reason why they don't use Automatic transmission is that it is along the lines of automatic driving. F1, as a sport, tests the driver's capabilities as well as the team's ability to make enduring and fast cars. Automatic Transmission would make the sport less interesting as it would require nothing from the driver.
