Laws and Regulations Rule Review
This document is a notice of the rules which the Department of Agriculture and Markets intends to review in 2020 pursuant to Section 207 of...

Laws are rules that are enacted by governing body, while regulation is the process of monitoring and enforcing the rules. Laws are actually rules and guidelines that are set up by the social institutions to govern behavior. These laws are made by government officials that in some countries are elected by the public to represent their views.
