A modern classic by Nobel Laureate J.M. Coetzee. His latest novel, *The Schooldays of Jesus*, is now available from Viking. *Late Essays: 2006-2016* will be available January 2018. For decades the Magistrate has been a loyal servant of the Empire, running the affairs of a tiny frontier settlement and ignoring the impending war with the barbarians. When interrogation experts arrive, however, he witnesses the Empire's cruel and unjust treatment of prisoners of war. Jolted into sympathy for their victims, he commits a quixotic act of rebellion that brands him an enemy of the state. J. M. Coetzee's prize-winning novel is a startling allegory of the war between oppressor and oppressed. The Magistrate is not simply a man living through a crisis of conscience in an obscure place in remote times; his situation is that of all men living in unbearable complicity with regimes that ignore justice and decency. Mark Rylance (*Wolf Hall*, *Bridge of Spies*), *Ciro Guerra* and producer *Michael Fitzgerald* are teaming up to bring J.M. Coetzee's *Waiting for the Barbarians* to the big screen.

Public Law is a high quality introductory textbook that comprehensively covers the key topics found on undergraduate public law courses. Three key themes that permeate all of the content allow students to approach the content in a structured and easy to understand way and questions posed throughout the chapters give students the opportunity to provide answers that show how their knowledge has increased as the chapter progresses. The key themes are: -The significance of executive power in the contemporary constitution and the challenge of ensuring that those who wield it are held to account -The shift in recent times from a more political to a more legal constitution and the implications of this change -The increasingly 'multi-layered'

character of the British constitution Online Resource Centre Public Law is accompanied by a free, open-access Online Resource Centre (www.oxfordtextbooks.co.uk/orc/elliott_thomas) which offers the following resources to support students: - Figures from the book reproduced online - A list of useful websites for students - Regularly posted legal and political updates for the book - A testbank of questions for tutors to assess students' progress This book has been highly endorsed by lecturers for level of coverage, accuracy, and the manner in which the three themes provide an excellent backdrop to the book's content. If you want to learn how to shoot a basketball, you begin by carefully observing someone who knows how to shoot a basketball. If you want to be a writer, you begin by carefully observing the work of accomplished writers. Recognizing the importance that modeling plays in the learning process, high school English teacher Kelly Gallagher shares how he gets his students to stand next to and pay close attention to model writers, and how doing so elevates his students' writing abilities. Write Like This is built around a central premise: if students are to grow as writers, they need to read good writing, they need to study good writing, and, most important, they need to emulate good

writers. In Write Like This, Kelly emphasizes real-world writing purposes, the kind of writing he wants his students to be doing twenty years from now. Each chapter focuses on a specific discourse: express and reflect, inform and explain, evaluate and judge, inquire and explore, analyze and interpret, and take a stand/propose a solution. In teaching these lessons, Kelly provides mentor texts (professional samples as well as models he has written in front of his students), student writing samples, and numerous assignments and strategies proven to elevate student writing. By helping teachers bring effective modeling practices into their classrooms, Write Like This enables students to become better adolescent writers. More important, the practices found in this book will help our students develop the writing skills they will need to become adult writers in the real world.

With a powerful introduction by Ross Gay and a moving afterword by Sidney Clifton, this special anniversary edition of *The Book of Light* offers new meditations and insights on one of the most beloved voices of the 20th century. Though *The Book of Light* opens with thirty-nine names for light, we soon learn the most meaningful name is Lucille—daughter, mother, proud Black woman. Known for her ability to convey multitudes in few words, Clifton writes into the shadows—her father's violations, a Black neighborhood bombed, death, loss—all while illuminating the full spectrum of human emotion: grief and celebration, anger and joy, empowerment and so much grace. A meeting place of myth and the Divine, *The Book of Light* exists "between starshine and clay" as Clifton's personas allow us to bear the world's weight with Atlas and witness conversations between Lucifer and God. While names and dates mark this text as a social commentary responding to her time, it is haunting how easily this collection serves as a political palimpsest of today. We leave these poems inspired—Clifton shows us Superman is not our hero. Our hero is the Black female narrator who decides to live. And what a life she creates! "Won't you celebrate with me?"
