Esther Press Presents *Stand in Confidence* by Amanda Pittman Culture, church, and life have sold us narratives about who we're supposed to be as women. If we play the part well, we gain love, acceptance, validation, and significance. When we don't know which role to play from one day to the next, we sink in insecurity. We feel driven to people-please, downplay, settle, and perform. In all this, we accept less than the abundant life Jesus died to give us. Amanda Pittman, founder of Confident Woman Co., explains how we can rewrite their damaging self-beliefs with the truth about our God-given identity by establishing the Four Components of Confidence: Clarity—Embrace our identity and define our design Connection—Connect with God and connect with others Competency—Develop our ability and expand our capacity Conviction—Know our responsibility and use our authority With a new perspective and focus, we will stand confidently upon the finished work of Jesus and live boldly in our God-given callings.

Christian Exercises in Eastern Form Truly a one-of-a-kind, how-to-do-it book, this small volume responds to a very real hunger for self-awareness and holistic living. It consists of a series of spiritual exercises for entering the contemplative state -- blending psychology, spiritual therapy, and practices from both Eastern and Western traditions. Anthony de Mello offers here an unparalleled approach to inner peace that brings the whole person to prayer -- body and soul, heart and mind, memory and imagination. In forty-seven exercises that teach things such as awareness of physical sensations, stillness, healing of hurtful memories, and consciousness of self and world, de Mello succeeds in helping all who have ever experienced prayer as difficult, dull, or frustrating. The essential key, he notes, is to journey beyond mere thought-forms and discover satisfying new depths in prayer from the heart. This allows for a greater sense of awareness amid silence, and disposes the one who prays to untold riches, spiritual fulfillment,

and ultimately, a mystical experience of God-centeredness. Drawing on Scripture, as well as insights from Eastern and Western spiritual masters, the author has a unique appeal that transcends time, culture, and religious background. For many years a bestseller in the English language, *Sadhana* has now been translated into more than two dozen foreign languages. Readers the world over have eagerly received this sincere spiritual leader, who has led many toward the wealth of insight and spirit that dwells within them.

Many of us do not trust our own thoughts, feelings, and desires when it comes to discerning God's will. Instead we look outside ourselves to determine what God wants from and for us. In *God's Voice Within*, spiritual director Mark E. Thibodeaux, SJ, shows us how to use Ignatian discernment to access our own spiritual intuition and understand that the most trustworthy wisdom of all comes not from outside sources, but from God working through us. *God's Voice Within* is intended for people who know that there is more to the spiritual life than they are currently experiencing and are ready to take the next step in their walk of faith by making effective discernment—specifically Ignatian discernment—a daily practice. Ultimately, *God's Voice Within* teaches us to discern what is at the root of our actions and emotions, which in turn allows us to respond to God's promptings inside us rather than unconsciously reacting to life around us.

Yearning for a life of leisure? In 24 chapters representing each hour of a typical working day, this book will coax out the loafer in even the most diligent and schedule-obsessed worker. From the founding editor of the celebrated magazine about the freedom and fine art of doing nothing, *The Idler*, comes not simply a book, but an antidote to our work-obsessed culture. In *How to Be Idle*, Hodgkinson presents his learned yet whimsical argument for a new, universal standard of living: being happy doing nothing. He covers a whole spectrum of issues affecting the modern idler—sleep, work, pleasure, relationships—bemoaning the cultural skepticism of idleness while reflecting on the writing of such famous apologists for it as Oscar Wilde, Robert Louis Stevenson, Dr. Johnson, and Nietzsche—all of whom have admitted to doing their very best work in bed. It's a well-known fact that Europeans spend fewer hours at work a week than Americans. So it's only befitting that one of them—the very clever, extremely engaging, and quite hilarious Tom

Hodgkinson—should have the wittiest and most useful insights into the fun and nature of being idle. Following on the quirky, call-to-arms heels of the bestselling *Eat, Shoots and Leaves: The Zero Tolerance Approach to Punctuation* by Lynne Truss, *How to Be Idle* rallies us to an equally just and no less worthy cause: reclaiming our right to be idle.

All fruitful doing must begin with being. For many Christians, it's easy to be

swept up into the fast pace of modern life, desiring to do much for God. But we struggle to slow down and be with God. According to pastor, Enneagram teacher, and author AJ Sherrill, being with God is what empowers doing for God. Sherrill shares his own journey from "busy" Christianity to the ancient paths of contemplative practices. He equips readers to integrate rhythms of stillness, silence, and solitude, offering step-by-step guidance and examples of finding solitude both personally and on retreats. Sherrill warns that making these changes appears absurd in a society where time is money, productivity is central, and hurry is a way of life. He guides readers gently through the beginning and often confusing stages of contemplative practice. Citing timely insights from the world of neurology and mental health, he shows that solitude is crucial not only for Christian growth but also for holistic flourishing. Foreword by Rich Villodas. Readers will emerge, centered in Christ, well on their way to this goal: slow down, pay attention, be still, and be loved.

She invites us ultimately to put the book down, to mend the ragged edges of our own prayer lives, and to set out once again on the remarkable adventure that is prayer.

Der christliche Glaube zielt auf konkrete Veränderung. Er soll Früchte tragen: Freude, Friede, Sanftmut, Geduld, Liebe Warum funktioniert das in der Praxis so wenig? * Warum sind viele Christen menschlich so verkümmert? * Warum gibt es in christlichen Gemeinden so viele bittere Konflikte und Machtkämpfe? * Welche Rolle spielen unsere Gefühle für den Glauben? Peter Scazzero beschreibt in diesem Buch Symptome eines Glaubens, der emotional unreif geblieben ist. Er deckt auf, warum herkömmliche Vermittlungswege von Glaubenswachstum oft einer Reifung der Persönlichkeit geradezu im Weg stehen. Und er skizziert den Weg zu einem ganzheitlichen, erwachsenen Glauben, auf dem die emotionale Reife nicht auf der Strecke bleibt. Denn er ist überzeugt: "Das größte Geschenk, das die Kirche unserer Welt machen kann, liegt darin, eine Gemeinschaft von emotional erwachsenen Menschen zu werden, die gelernt haben, wie man liebt."
