Badges and insignia of forty of today's most exciting military formations, including Commandos, Rangers, Marines, the Foreign Legion, and Naval Infantry, are described with detailed accounts of their exploits and a brief history of each.

Vanished Armies

Blandford

"Of great use to anyone interested in the 18th century British Army as well as illustrators and others who need detailed information."—Classic Arms and Militaria Based on records and paintings of the time, this book identifies each cavalry and infantry regiment and illustrates changes in uniforms, their

facing colors, and the nature and shape of lace worn by officers, NCOs and private soldiers from 1751 to 1783.

Regiments that served in the American War of Independence are noted and the book includes more than 200 full-color plates of uniforms and distinctions. Divided into four sections, it not only details the cavalry and infantry uniforms of the period but also the tartans of the Highland regiments, some of which were short-lived, and the distinction of the Guards regiments. "A superb reference work, full of clearly researched details...it will be of value to family and military

---

historians, re-enactors, figure painters, and wargamers.”—FGS Forum

Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading

experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Uniforms & Insignia of the Navies of World War II  
Blandford

Soldier presents a magnificent collection of highly detailed illustrations depicting uniforms worn by the military forces of this nation from colonial times to the modern era. Accompanying each illustration is the history of the uniform and equipment portrayed and the men and women who wore the uniform and the circumstances of their service. This is a book rich in colour and historical narrative. Soldier is much more than simply a description of military

---

uniforms and equipment. Phil Rutherford has spent over 20 years searching for the roots of Australia's modern army, analysing trends both in dress and in the military art itself. In doing so he has discovered that there is very little about the uniforms worn and the equipment carried by today's soldiers that can truly be called its own. Even the most iconic symbol of the Australian army, the slouch hat, was not invented by a Victorian volunteer as popular rumour suggests, but was worn by troops in seventeenth-century Europe. In fact, there are significant elements of the army's dress and equipment, such as the badges of rank worn by both soldiers and officers, which can be traced to the days of knights in shining armour. Soldier seeks to map the links between the army's modern dress and its earliest antecedents, describing the formation and history of Australia's army, from the perspective of both the regular and reserve soldiers. This book also reveals the story behind the soldiers themselves — the men

and women who wore these uniforms — and the times in which they served since the first volunteers and militias were raised to protect the lives and property of the earliest settlers from adversaries both real and imagined.

Dress Regulations for the Officers of the Army. Horse Guards, War Office, 1st November 1874  
Franklin Classics  
With Complete Guide To United States Marine Corps Medals, Badges And Insignia World War II To Present, military medal expert James G. Thompson has created a comprehensive and methodically presented encyclopedic reference to all of the Marine Corps decorations, medals, ribbons, badges, and military insignia commissioned and awarded during the Second World War. This unique military reference guide features colour plates of all Marine Corps medals and ribbons;

---

their history and award criteria; foreign awards and UN medals given to American Marines; a complete set of Marine ribbons in their correct order with all attachments and devices; all Marine insignia (including officer and enlisted rank insignia 1944 to the present day); World War II shoulder patches; descriptions of service ID badges, aiguillettes, should cords, etc.; detailed information on marksmanship and trophy badges; a guide to the correct wearing of medals, ribbons, insignia and badges by active duty Marines and veterans; displaying awards and insignia, even instructions on how to claim a medal by a qualified serving Marine or veteran. Quite simply, this book offers everything you need to know about Marine Corps medals, badges and insignia.

Army Uniforms of World

War 2 Blandford Throughout the relatively short yet highly distinguished history of the Royal Air Force there has been a tendency for the men and women of the Service to be overshadowed by the glamour of the aircraft. Nonetheless it is surprising that there has never before been a complete record of the uniforms and badges of the RAF and its predecessor, the Royal Flying Corps. Malcolm Hobart and Pen and Sword Books have cooperated to rectify this serious omission with this superbly color illustrated and comprehensive collector's guide. Badges of rank and trade are all depicted not only for the flying arms but for

---

ground staff. This valuable addition to our Collector series also covers the RAF Reserves and Auxiliary Service, Air Training Corps and the Royal Observer Corps.

Air Force Badges and Insignia of World War 2 Chelsea House Pub

This regulation prescribes the authorization for wear, composition, and classification of uniforms, and the occasions for wearing all personal (clothing bag issue), optional, and commonly worn organizational Army uniforms. It also prescribes the awards, insignia, and accouterments authorized for wear on the uniform, and how

these items are worn. General information is also provided on the authorized material, design, and uniform quality control system. Only uniforms, accessories, and insignia prescribed in this regulation or in the common tables of allowance (CTA), or as approved by Headquarters, Department of the Army (HQDA), will be worn by personnel in the U.S. Army. Unless specified in this regulation, the commander issuing the clothing and equipment will establish wear policies for organizational clothing and equipment. No item governed by this regulation will be

---

altered in any way that changes the basic design or the intended concept of fit as described in TM 10-227 and AR 700-84, including plating, smoothing, or removing detail features of metal items, or otherwise altering the color or appearance. All illustrations in this regulation should coincide with the text. The written description will control any inconsistencies between the text and the illustration. AR 70-1 prescribes Department of the Army (DA) policies, responsibilities, and administrative procedures by which all clothing and individual equipment used by Army personnel are initiated, designed, developed, tested, approved, fielded, and modified. AR 385-10 prescribes DA policies, responsibilities, and administrative procedures and funding for protective clothing and equipment. In accordance with chapter 45, section 771, title 10, United States Code (10 USC 771), no person except a member of the U.S. Army may wear the uniform, or a distinctive part of the uniform of the U.S. Army unless otherwise authorized by law. Additionally, no person except a member of the U.S. Army may wear a uniform, any part of which is similar to a

---

distinctive part of the U.S. Army uniform. This includes the distinctive uniforms and uniform items listed in paragraph 1-12 of this regulation. Further, soldiers are not authorized to wear distinctive uniforms or uniform items of the U.S. Army or of other U.S. Services with, or on civilian clothes, except as provided in chapters 27 through 30 of this regulation.

Complete Guide to United States Marine Corps Medals, Badges, and

Insignia Chartwell Books  
In the years immediately before the First World War, Archibald Haswell Miller, a young artist, travelled Europe to study painting. While he was there he indulged his other great interest the military. On his travels he observed first-hand the soldiers of the European Armies in the last days of the colourful and elaborate uniforms that were giving way to grey and khaki across the continent. Realising that this was a great military heritage that was slipping away he set out to record these splendid uniforms. In those uncertain days before the assassination of the Archduke Ferdinand in Sarajevo, Haswell Miller sketched and painted hundreds of figures, each wearing a different uniform, from the armies of Britain, Germany, France, Austria-Hungary, Belgium, Holland, Italy, Portugal, Russia, Spain and Sweden.

---

Just before the First World War the paintings were exhibited in Leipzig, and it seemed they might be published. But when war broke out they were returned home and lay forgotten for nearly one hundred years. Now published together at last, they represent a unique record of the uniforms of the last great age of military dress.

Accompanied by, in Haswell Miller's own words, 'notes and memories of the days before " the lights went out in Europe " in the year 1914', this is a book of great historical importance.

How to Identify United States Forces Bloomsbury Publishing

On these pages will be found a wealth of little-known and hard to find facts on German Military uniforms and insignia from 1933-1945.

World Army Uniforms

Since 1939 Badges and Uniforms of the Royal Air Force

This manual, TRADOC Pamphlet TP 600-4

The Soldier's Blue Book: The Guide for Initial Entry Soldiers August 2019, is the guide for all Initial Entry Training (IET) Soldiers who join our Army Profession. It provides an

introduction to being a Soldier and Trusted Army Professional, certified in character, competence, and commitment to the Army. The pamphlet introduces Soldiers to the Army Ethic, Values, Culture of Trust, History, Organizations, and Training. It provides information on pay,

---

Regulations for the dress of ... offices of the army

Pen and Sword

Although "the Blue and the Gray" succinctly

evokes the North and the South, in actuality, the

uniforms of Civil War soldiers were anything

but "uniform" -- neither in color nor any other

facet. Uniforms of the Civil War fully explores

this fascinating branch of

military history, presenting an in-depth study of the many and varied uniforms worn by Northern and Southern soldiers.

Military Badges and Insignia Sycamore Island Books

Every aspect of making military garments is covered in this volume.

Extensively illustrated with black and white drawings and diagrams. This book

contains classic material dating back to the 1900s and before. The content

has been carefully selected for its interest and relevance to a modern

audience.
