This manual is one of a series of soldier training publications (STPs) that support individual training. Commanders, trainers, and Soldiers will use this manual

and STP 21-24-SMCT to plan, conduct, sustain, and evaluate individual training of warrior tasks and battle drills in units. This manual includes the Army Warrior Training plan for warrior skills level (SL) 1 and task summaries for SL 1 critical common tasks that support unit wartime missions. This manual is the only authorized source for these common tasks. Task summaries in this manual supersede any common tasks appearing in military

occupational specialty (MOS)-specific Soldier manuals. Training support information, such as reference materials, is also included. Trainers and first-line supervisors will ensure that SL 1 Soldiers have access to this publication in their work areas, unit learning centers, and unit libraries. This manual applies to the Active Army, the Army National Guard/Army National Guard of the United States, and the United States

The principal

audience for FM 1-02.2 is all members of the profession of arms. Trainers and educators throughout the Army will also use this publication. This publication compiles Department of Defense (DOD) Military Standard (MIL-STD) 2525D approved military symbols applicable to land operations for use in U.S. Army doctrinal publications and command and control systems. FM 1-02.2 is the proponent for all U.S. Army military symbols in use or that apply to doctrine that are not currently included in MIL-STD 2525D. When communicating instructions to subordinate units, commanders and staffs from company through corps echelons use this publication as the standard for properly constructing land operations associated military symbols. *Technical Manual...
