This Soldier training publication (STP) contains standardized training objectives (in the form of task summaries) to train and evaluate Soldiers on critical tasks that support unit missions during wartime. Trainers and leaders should actively plan for Soldiers holding this military occupational specialty (MOS) to have access to this publication. This publication applies to the Active Army, the Army National Guard (ARNG)/Army National

Guard of the United States (ARNGUS), and the U.S. Army Reserve (USAR). The proponent for this publication is U.S. Army Training and Doctrine Command (TRADOC). Soldier's Manual Createspace Independent Pub
This United States Army publication, Field Manual FM 1-02.2 Military Symbols November 2020, FM 1-02.2 constitutes approved Army military symbols for general use to depict land operations. The principal audience for FM 1-02.2 is all members of the profession of arms. Trainers and educators throughout the Army will also use this publication. This publication compiles Department of Defense (DOD) Military Standard (MIL-STD) 2525D approved military symbols applicable to land operations for use in U.S. Army doctrinal publications and command and control systems. FM 1-02.2 is the

proponent for all U.S. Army military symbols in use or that apply to doctrine that are not currently included in MIL-STD 2525D. When communicating instructions to subordinate units, commanders and staffs from company through corps echelons use this publication as the standard for properly constructing land operations associated military symbols.

*Soldier's Manual and
Trainer's Guide for
Firefighter MOS 21M*

This manual is one of a series of soldier training publications (STPs) that support individual training. Commanders, trainers, and Soldiers will use this manual and STP 21-24-SMCT to plan, conduct, sustain, and evaluate individual training of warrior tasks and battle drills in units. This manual includes the Army Warrior Training plan for warrior skills level (SL) 1 and task summaries for SL 1 critical common tasks that support unit wartime missions. This manual is the only authorized source for these common tasks. Task summaries in this manual supersede any common tasks appearing in military occupational

specialty (MOS)-specific Soldier manuals. Training support information, such as reference materials, is also included. Trainers and first-line supervisors will ensure that SL 1 Soldiers have access to this publication in their work areas, unit learning centers, and unit libraries. This manual applies to the Active Army, the Army National Guard/Army National Guard of the United States, and the United States Army Reserve unless otherwise stated. The proponent of this publication is the United States Army Training and Doctrine Command (TRADOC), with the United States Army Training Support Center (ATSC) designated as the principle publishing, printing, and distribution agency. Proponents for the specific tasks are the Army schools and agencies as identified by the school code, listed in appendix A. This code consists of the first three digits of the task identification number.
