RANGER CREED
Recognizing that I volunteered as a

Ranger, fully knowing the hazards of my chosen profession, I will always endeavor to uphold the prestige, honor, and high esprit de corps of the Rangers. Acknowledging the fact that a Ranger is a more elite Soldier who arrives at the cutting edge of battle by land, sea, or air, I accept the fact that as a Ranger my country expects me to move further, faster, and fight harder than any other soldier. Never shall I fail my comrades I will always keep myself mentally alert, physically strong, and morally straight and I will shoulder more than my share	of the task whatever it may be, one hundred percent and then some. Gallantly will I show the world that I am a specially selected and well trained Soldier. My courtesy to superior officers, neatness of dress, and care of equipment shall set the example for others to follow. Energetically will I meet the enemies of my country. I shall defeat them on the field of battle for I am better trained and will fight with all my might. Surrender is not a Ranger word. I will never leave a fallen comrade to fall into the hands of the enemy and under no circumstances will I	ever embarrass my country. Readily will I display the intestinal fortitude required to fight on to the Ranger objective and complete the mission, though I be the lone survivor. Ranger Creed From SH 21-76 Ranger Handbook U.S. Army Improvised Munitions Handbook Rowman & Littlefield This handbook offers the techniques and tactics that make U.S. Army Rangers the best soldiers in the world.
