True Love Story

Bold Type Books  
From the New York Times bestselling author of Collide and Pulse comes a gritty new novel about a shattered young woman who unexpectedly falls for two best friends. They were a storm I never saw coming, an unforeseen heartbreak on the edge of a dangerous cliff. Amber Moretti's life changes in the span

of minutes. An orphaned outsider, she is desperate to start fresh the moment she walks onto campus. In the time it takes to cross the university's dining hall, she meets two men who bring color, air, and light to her darkened world. They became my addiction, each a needle to my next hit, my high. Brock Cunningham's appeal is dizzying, a potent force Amber can't deny. A green-eyed smooth talker, he instantly attracts Amber. It doesn't take long for him to consume her every thought, her every breath. Ryder Ashcroft, a blue-eyed, tattooed, and pierced bad boy,

turns Amber off immediately—that is, until he kisses her, stealing a piece of her heart, her soul. They were as opposite as fire and ice, yet I ached for them equally. Never knowing she could be broken down in so many unexpectedly beautiful yet petrifying ways, Amber finds herself falling for both men. Immoral? Maybe. I say undeniable. Uncontained. But one devastating event changes everything, shattering each of their lives...and Amber isn't sure she can recover from it.

My life changed in an instant, altered by fire, irreparably damaged. Just like me. I'm a broken, damaged soul on the run from a very real sort of darkness. My father, a notorious mob boss, either wants me back or wants me dead. I find solace in the arms of his enemies. Five deliciously dark men that tempt me to do things I shouldn't. Arsen, Colt, Weston, Mace, and Hawke. They're just as dangerous as the men they're hunting. So, will they save me, or burn me to

ashes? Either way, in their arms, I catch fire. I burn. And I love every second of it. \*\*NOTE: This book was originally published as Five Fathers by Kate Morgan. It has undergone a rewrite but the core story remains the same. \*\*

minutes long; those three and a half minutes could lead to a slow blink, a glimpse of the past, or catapult the soul into heart-shattering nostalgia. At the height of my career, I had the life I wanted, the life I'd always envisioned. I'd found my tempo, my rhythm. Then I received a phone call that left me off key. You see, my favorite songs had a way of playing simultaneously. I was in love with one man's beats and another's lyrics. But when it came to the soundtrack of a life, how could anyone choose a favorite song? So, to erase any doubt, I ditched my first-class ticket and decided to take a drive, fixed on the rearview. Two days. One playlist. And the

long road home to the man who was waiting for me.
