What Is Beauty in Art? - Artist PopLab
Beauty, possibly, doesn't exist and there is no absolute beauty in this world. Beauty is what we see as characteristic and harmonious. Art is beautiful. Whatever you believe art to be, and many art pieces will bring about different reactions in you, it is clear that the explanation is complicated and not definitive.

About Us - Art of Beauty

Aesthetics is the branch of philosophy that deals with the nature and appreciation of art, beauty, and taste. Aesthetics is central to any exploration of art. For Immanuel Kant, the aesthetic experience of beauty is a judgment of a subjective, but common, human truth.

8.1 What Is Beauty, What Is Art? | Introduction to Philosophy

The former approach considers beauty objectively, as something that exists in its own right, intrinsically, in the "something" or art object, independently of being experienced. The latter strategy regards beauty subjectively, as something that occurs in the mind of the subject who perceives beauty — beauty is in the eyes of the beholder.
