**Art History A
Very Short**
If anything, it is a
meta-history of
art; a short history
of various writings
about the history

of art. Written in
first person and
filled with
parentheticals and
references to
earlier and later
chapters, the book
is more a series of
dogmatic lectures
than an engaging
look at the world
of art.

Smarthistory

Art History: A Brief History Of Sculpture / Beginner's School
Smaller works of art were also created for the common

consumer. A popular item during the Gothic era up through the 17th century was the memento mori (Latin, "remember that you will die."). These very small, handheld objects were generally created with a portrait of the commissioner on one side and a skull on the other.

Art History: A Very Short Introduction - Dana Arnold ...

Art history encompasses the study of the history and development of painting, sculpture, and the other visual arts. Art History: A Very Short Introduction

considers the issues, debates, and artefacts that make up art history. It explores the emergence of social histories of art and, using a wide range of images, it discusses key aspects of the discipline including how we write about, present, read, and look at art, and the impact this has on our understanding of art history.

Guidelines for Analysis of Art - Department of Art and Design

Some of these sources also give a lot of information about writing a research paper in art history, that is, a paper more ambitious in scope

than a formal analysis. M. Getlein, Gilbert's Living with Art (10th edition, 2013), pp. 136-139 is a very short analysis of one work.
