[Guidelines for Analysis of Art - Department of Art and Design](#)

Art history is the study of objects of art in their historical development and stylistic contexts; that is genre, design, format, and style. The study includes painting, sculpture, architecture, ceramics, furniture, and other decorative objects. Art history is the history of different groups of people and their culture represented throughout their artwork.

For Art History - Shaping the future for art history

Preface. I created Writing About Art as the text for a course of the same name at The City College of New York. The book explains the different approaches college students encounter in undergraduate art history classes. Each chapter outlines the characteristics of one type of visual or historical analysis, and briefly explains its history and development.
