Critical Analysis It is important to discuss a piece of
artwork in depth. Once research has been carried
out, you should select one example and write an
analysis of it. It is useful to have made a drawing of
the work, as it shows you have studied it in order to
make your own version. Here are some ideas for
information you should include.

Postmodernism in art was also a challenge
to Institutionalism, the idea that art is what
we put in museums, thus we need a

standard criteria for defining and curating
museum-worthy ergo true art. In terms of
critical theory Postmodernism approaches
music, philosophy, literature, and other
subjects from the perspective that (1) there is
no one grand narrative that guides society
and thus (2) there is no such thing as
objective knowledge, as (3) knowledge is
based in individual perception.

Third, critical thinking involves believing the results of our reasoning. Critical thinking is

different from just engaging in a mental exercise. When we think through an issue critically, we internalize the results. We don't give merely verbal agreement: we actually believe the results because we have done our best to reason the issue out and
