Why A World of Art?

Henry Sayre wrote

the first edition

of World of Art

because he wanted

to use a text in

his own art

appreciation course

that truly

represented all

artists, not just

the Western canon

found at that time

in the other texts.

He also wanted a

text that fostered

critical thinking

through looking at, talking about, and questioning works of art for his students. We are proud to present the new sixth edition of World of Art, which further strengthens these two key aspects of the text while presenting hot topics like video and time-based media.
