Wow, did this book teach me more than I learned in college about working with children! It's such a comprehensive book that explains child development; showcases lessons and examples; recommends supplies and teaching strategies. I followed this book to a T when first started out and it was like having a friend guide me.

Cassie Stephens: Best Books for Art Teachers!

Teaching Art: A Complete Guide for the Classroom is an accessible and clearly written guide for integrating visual art into classroom practice. Revised and expanded from the author's previous bestselling resource, *Art & Illustration*, Teaching Art incorporates new developments in art education. Throughout the book, you will find suggestions for extending and adapting art exercises to meet the needs of both your students and the curriculum.
