The History of the Britons (Latin: Historia Brittonum) is a purported history of the indigenous British people that was written around 828 and survives in numerous recensions

that date from after the 11th century. The Historia Brittonum is commonly attributed to Nennius, as some recensions have a preface written in his name. Some experts have dismissed the Nennian preface as a late forgery ...

King Arthur was Real? - Archaeology Magazine Archive

Sub-Roman Britain is the period of Late Antiquity in Great Britain, covering the end of Roman rule in the late 4th and early 5th centuries, and its aftermath into the 6th century. The term "sub-Roman" was originally used [by whom?] to describe archaeological remains such as potsherds found in sites of the 5th and 6th

centuries, and hinted at the decay of locally made wares from a previous ...
'King Arthur' castle discovery: Mysterious inscription ...
Traditionally, Arthur is believed to have led the British when they defeated an invading Saxon army at the legendary Battle of Badon sometime between 490 and 520AD. However, archaeologist and senior lecturer at Bournemouth University, Miles Russell, strongly believes that the greatest warrior king in British history, is basically a fictional creation of five real-life warlords.

Arthurs Britain History And Archaeology

Archaeology has, though, uncovered evidence of a possible capital of Arthur, or at least the person who led the Britons in the late fifth century. Excavations at the old Roman city of Viroconium, near the town of Shrewsbury in central Britain, have unearthed evidence that it was the largest and most heavily defended city in Britain around 500 AD, and at that very time a huge, elaborate mansion was built at its heart.
