It's one of the most forgiving ways to make art because in an art journal, everything you make is safely contained within your own personal book. You may choose to never share any of your pages with anyone (or everyone!) so it's a space where you can let loose and explore with colors, shapes, lines, and your words all at once.

By nature, art journaling is a private activity. But when Dawn Sokol's first book, 1000 Artist Journal Pages, broke the fourth wall and shared the work of artists all over North America and parts of Europe, it created a ripple of inspiration throughout the art journaling community. In this much-anticipated follow-up, Sokol features more than 1,000 new, captivating pages, this time—by popular demand—from artists across the globe.

An art journal is a visual diary; it combines elements of writing, drawing, painting, collage, and even printmaking to express yourself. This includes your everyday life, as well as your bigger hopes, dreams, and fears. A single page will often fuse words and illustrations to offer a look at what's going on inside your head.
