Chaos, tragedies, broken relationships, wars, disasters, plagues – in this world there is no end to bad news. Hard questions haunt us: If God really is who He says He is, how can He allow these things? If He's God, why doesn't He intervene? If we can't find hope and help in the midst of these tough

times, those questions can crush our spirit and deaden our faith. But now, beloved Bible teacher and author Kay Arthur guides readers to discover the answers revealed in the Old Testament book of Habakkuk, so that they can know God, understand Him, and love Him more fully, no matter what happens. In *When Bad Things Happen*, Kay Arthur shares bold answers to those questions and helps readers solve the dilemma. But more than that, they'll encounter God and come to understand, love, and appreciate Him more deeply. They'll discover that God is big enough to handle their questions, and strong enough to deliver them from pain and doubt. And as a result, they'll be equipped with strength and courage so they can minister to others who wrestle with the same questions.
