Living a better-feeling life really comes down to one thing only: coming into alignment with the Energy of our Source. Abraham reminds us that we are truly Source Energy focused into our physical bodies, and that a conscious Connection to that Broader Non-Physical part of us is necessary if we are to be the joyful Beings that we were born to be. Abraham calls that wonderful alignment Getting into the Vortex. Through a series of Leading Edge books (New York Times bestsellers), Abraham has emphasized the importance of our conscious alignment with the Source within us. They have let us know that our natural state of Being is inside our Vortex of Creation in complete alignment with Source Energy—and that every aspect of our physical experience reflects our alignment with, or resistance to, that Connection. Everything—from the physical well-being of our bodies, the clarity of our minds, and the abundance we allow to flow, to the satisfaction in every relationship we experience—is impacted by our all-important relationship with our Vortex. Abraham has helped us to understand that our dominant intent in every day is to get into the Vortex! And now, they have lovingly and specifically guided Jerry and Esther Hicks in the creation of an innovative and valuable tool that promises to get us into the Vortex right now . . . and that tool is enclosed in the Getting into the Vortex User Guide in the form of a 70-minute audio download. This unique recording contains four powerfully guided daily meditations that have been designed to get you into the Vortex of Creation in four basic areas of your life: • General Well-Being • Financial Well-Being • Physical

Well-Being • Relationships. Jerry and Esther are thrilled to offer this powerful, first-of-its kind, musically scored, breath-enhancing, user-friendly tool from Abraham that will get you into the Vortex.

For more than two decades, international best-selling authors Esther and Jerry Hicks have produced the Leading Edge Abraham-Hicks teachings, inspiring countless people through their workshops, CDs/DVDs, and books. Now, three of their most beloved titles are gathered into a single volume: • The Law of Attraction presents the powerful basics of the original Teachings of Abraham®. You've most likely heard the saying "Like attracts like," and although the Law of Attraction has been alluded to by some of the greatest teachers in history, it has never been explained in as clear and practical terms as it is in these pages. • Money, and the Law of Attraction shines a spotlight on two subjects troubling many people today: money and physical health. This book has been written to deliberately align you with the most powerful law in the universe—the Law of Attraction—so that you can make it work specifically for you, no matter what your life experience may be. • The Vortex will help you understand every relationship you are currently involved in or have ever experienced. Sunlight is beginning to spill across the Malibu coastline as I begin this Preface. And the deep indigo tint of the Pacific Ocean at this time of the morning seems to match the depth of pleasure I'm feeling as I'm imagining the value you're about to receive from the revelations within this book. Ask and It Is Given is certainly a book about our "asking" being answered by All-That-Is. But it's primarily about how whatever we're asking for is being given to us - and it's also the first book to ever, in such clear terminology, give us the simple practical formula for how to ask for, and then how to receive, whatever we want to be, do, or have. Decades ago, while searching for plausible answers to my never-ending quest to know what "It" is all about, I discovered the word ineffable (meaning "incapable of being expressed in words"). Ineffable coincided with a conclusion I'd formed relative to It. I had decided that the closer we get to knowing the "Non-Physical," the fewer words we have for clearly expressing It. And so, any state of complete knowing would also, therefore, be a state of ineffability. In other words, at this point in our time-space reality the Non-Physical cannot be clearly expressed with physical words. Throughout physical history, we've evolved to, through, and into billions of philosophies, religions, opinions, and beliefs. Yet, with the billions upon billions of thinkers thinking, concluding, and passing their beliefs on to the next generations, we have not - at least not in any words we can agree on - found physical words to express the Non-Physical. This book offers you a hands-on course in spiritual practicality. It's a how-to book in the broadest sense of the term - that is, how to be, do, or have anything that pleases you. This book also teaches you how not to be, do, or have anything that displeases you.----Jerry

Please note: This is a companion version & not the original book. Sample Book Insights: #1 All physical humans have Non-Physical counterparts. There is no

exception to that. All who are physically focused have access to the broader perspective of what is Non-Physical. However, most physical beings have developed strong patterns of resistance that thwart their clear connection to their own Source. #2 This book will help you understand who you are, where you come from, and where you are going. It will teach you how you create your own experiences and why all your power is in your present moment.

If you feel stuck with no idea what you should do next, lifestyle celebrity and TV pioneer Debbie Travis's bestseller is for you. Drawing on the lessons she learned in her own leap into a new way of living, along with a multitude of stories, tips and ideas to jumpstart your dreams, Debbie's created an inspiring roadmap for change. A few years ago, Debbie Travis realized that she was no longer challenged by her wildly successful TV career, yet she was so busy she was missing out on the people and things that made her happy. She dared to dream about a whole new direction in life--a plan to turn a 13th-century farmhouse in Tuscany into a unique hotel and retreat for people who need a change as much as she did. And now she is not only living that dream but sharing it with others. Her new book draws directly on her own experiences (when she started, Debbie could barely make a bed, let alone run a hotel in a foreign county) and the uplifting stories of personal u-turns shared by women who have come to her retreats. Debbie's "commandments" will inspire women (and men) who have lost track of who they are or what they want to be; who are going through the motions of a career that doesn't satisfy them anymore; who are wondering what to do with themselves now that their kids are gone or their marriage is over. On every page, Debbie shares the tools that helped her transform her life. Her common-sense advice, often delivered with her trademark humour, will help motivate anyone who finds themselves standing at a crossroads wondering "What's next for me?"
