Sonia Choquette discovered her psychic abilities as a young child. Gifted from birth, she was able to see beyond the veil of the inner workings of her family members', friends', and neighbors' lives. While still a teenager, she began to give readings, amazing her clients with her psychic insights. Seeking to deepen her skills, she studied with two master psychic/spiritual teachers and began to see beyond predictions of the future . . . into the causes of the future. With the help of a group of spiritual guides who have been working with her since childhood, and combining this support with metaphysical law, Sonia developed the ability to see the soul plan that each of us is born with. It became her mission to put her clients' lives back on track, steering them through the tricky waters of romance, divorce, illness, high finance, sickness, and death. She became a soul guide for "happy endings." By pulling back the curtain and sharing her personal story, this revolutionary new teacher and world-renowned psychic shatters the myth that psychic implies psycho, and reveals the beauty and power the sixth sense holds for us all! A teacher, an author, and a storyteller, as well as a gifted psychic, Sonia Choquette is in international demand for her guidance, wisdom, and capacity to heal the soul. This is a story of the Evolution of the "6th Sense" fresh from a child's perspective. Also, this is "Just A Great Read!"

"As if waking up from a nightmare, I thought, If I am going to be traumatized, I might as well be traumatized in Paris, right?" Devastated by the unexpected end of her decades-long marriage, renowned spiritual teacher and intuitive guide Sonia Choquette undertook an equally unexpected move and relocated to Paris, the scene of many happy memories from her life as a student and young mother. Arriving in the aftermath of the Charlie Hebdo massacre, she found a Paris as traumatized by this unforeseen event as she had been by her divorce. Together, over the following years, she and the city she loves began a journey of healing that involved deep soul-searching and acceptance of new, sometimes uncomfortable, reality. In this follow-up to *Walking Home*, Sonia shares her intimate thoughts and fears, as well as the unique challenges of setting up a new life in a foreign land. From moving into a freezing, malodorous apartment, to a more pleasant –yet haunted–flat across the Seine, to her current light-filled home, Sonia shares how these changes parallel her inner transformation. Along the way, Sonia regales readers with vivid stories of her unfortunate encounters with French hairdressers and beauticians, her adventures in French fashion, and her search for the perfect neighborhood café. Her companion throughout is the city of Paris –a character unto itself –which never ceases to fill her with wonder, surprise, and delight, and provides her with the spiritual strength to succeed in establishing her new life.

Harnessing the Help of Heaven to Create Miracles Hay House

A unique oracle deck to channel the energy and insight of the 33 powerful dragon guides revealed over two decades to the original Dragon Lady Caroline Mitchell. The dragons urge us to become the best possible version of ourselves, to release fears and pain, to accept and nurture ourselves and embrace our spiritual awakening. Dragons are immensely powerful, creative, inquisitive and honourable beings, with enormous compassion and often a dry sense of humour. This groundbreaking oracle deck allows users to connect with 33 dragons, each with their own personality and way of helping us. Each of the 33 stunning cards represents one of the dragons, and an 80-page booklet profiles the dragons in detail, suggesting how to work with their energy. The Dragons are grouped in four clans: the Earth Walk Dragons, the empowering, who support us on our physical journey; the multi-dimensional Galactic Dragons, the connectors, who work out in the galaxies to raise our vibration; the Grand Master Dragons, shape-shifting spiritual teachers who seek us out when we have started to advance; and the Guardian Dragons, who work in pairs, balancing each other's energies like yin and yang and guiding us wherever we are on our spiritual journey. Rather than giving us straight answers, the dragons guide us as we begin to trust ourselves, our intuition and our inner wisdom. Working with the dragons, we notice when the Universe is answering our call, and then act upon it. As our spiritual growth deepens, we become more self-aware and release old belief patterns, behaviours and ways of being. The Dragons ask only that we be true to ourselves. There is no set way to use the cards - connect with the Dragons in the way that feels right to you, whether that is picking a Daily Guidance card for instant insight or using the spreads described in the booklet, such as the Month Ahead spread, defining your focus for the next four weeks, or the Spiritual Seeker spread, created to help you on your spiritual journey.

When we travel at the speed of love, we choose to live in a frequency of unconditional love. Today, most of us travel at the frequency of fear and live with a victim consciousness. When we're traveling at the fear frequency, no matter how fast we go, we can never get to our destination. The victim consciousness is based on the premise: "I have no choice." Traveling at the speed of love means taking our power back. We're actually in a different universe when we travel at the speed of love. Our world is not a menacing, threatening race geared to cheat death. It becomes, at any moment, so satisfying that if this were our last moment on Earth, that would be okay. This is not to say that change is easy. To travel at the speed of love might require a complete paradigm shift in the way you look at your everyday existence. In this fascinating book, Sonia Choquette provides a practical, in-the-trenches guide that will reveal how you can reprogram your brain and change your life for the better. Ask yourself this question: What frequency are you traveling on right now? *The Psychic Pathway* ReadHowYouWant.com
