One of the Time 100 Best Fantasy Books Of All Time Two men rebel together against

tyranny—and then become rivals—in this first sweeping book of an epic fantasy series from Ken Liu, recipient of Hugo, Nebula, and World Fantasy awards. Hailed as one of the best books of 2015 by NPR. Wily, charming Kuni Garu, a bandit, and stern, fearless Mata Zyndu, the son of a deposed duke, seem like polar opposites. Yet, in the uprising against the emperor, the two quickly become the best of friends after a series of adventures fighting against vast conscripted armies, silk-draped airships, and shapeshifting gods. Once the emperor has been overthrown, however, they each find themselves the leader of separate factions—two sides with very different ideas about how the world should be run and the meaning of justice. Fans of intrigue, intimate plots, and action will find a new series to embrace in the *Dandelion Dynasty*.

Seth Dickinson's epic fantasy series which began with the "literally breathtaking" (NPR) *The Traitor Baru Cormorant*, returns with the third book, *The Tyrant Baru Cormorant*. The hunt is over. After fifteen years of lies and sacrifice, Baru Cormorant has the power to destroy the Imperial Republic of Falcrest that she pretends to serve. The secret society called the Cancrith is real, and Baru is among them. But the Cancrith's weapon cannot distinguish the guilty from the innocent. If it escapes quarantine, the ancient hemorrhagic plague called the Kettling will kill hundreds of millions...not just in Falcrest, but all across the world. History will end in a black bloodstain. Is that justice? Is this really what Tain Hu hoped for when she sacrificed herself? Baru's enemies close in from all sides. Baru's own mind teeters on the edge of madness or shattering revelation. Now she must choose between genocidal revenge and a far more difficult path—a conspiracy of judges, kings, spies and immortals, puppeteering the world's riches and two great wars in a gambit for the ultimate prize. If Baru had absolute power over the Imperial Republic, she could force Falcrest to abandon its colonies and make right its crimes.
