Ideally, the following observation schedule is for Montessori Teacher trainees and is meant for 25 hours per week observation, per assignment. Please use the following assignment in light of that. Ask the teacher ahead of time for a class list with the ages of the children and the length of time each has been in the classroom.
Montessori Assessment and Testing
While Montessori students tend to score very well, Montessori educators are deeply concerned that many standardized tests are inaccurate, misleading, and stressful for children. Good teachers, who work with the same children for three years and carefully observe their work, know far more about their progress than any paper-and-pencil or online standardized test can reveal.
