### **Astonishing X-Men, Volume 2: Dangerous by Joss Whedon**

Astonishing X-Men is the name of four X-Men comic book series from Marvel Comics, the first two of which were limited series. The third volume, an ongoing series, began in 2004, with its first run written by Joss Whedon and art by John Cassaday. It was then written by Warren

Ellis with art by Simone Bianchi and Phil Jimenez. Daniel Way and Christos Gage then took over the title writing ...

The two color X-Men series have still to convince me after 2 volumes each (not enough issues of Red yet). The ones before this reboot were even worse. So you'll excuse me if I didn't put much faith on Astonishing X-Men. I was wrong. This is a first act of which I don't want to tell much for fear of spoiling.
