S.T.A.R.S (Scientific Testing aimed at a Rat's Survival) is a project set up by the government to increase the population of rats in the town of Aaronsville, UK. In today's society, rats have become a lifeline for people, and their blood is used to heal the sick. But a worldwide virus killed off most of the population a few years ago. The local government set up a lab to help maintain the rats and to mate them for the future. But now, a few years later, a change has happened; a change within the rats has arrived. They have grown wise to people and want out. Scientists have been studying the rats for a long time, but now the rats have begun to study them. They sit and watch the humans from behind their glass cages. They sit and plan an escape. Tonight, they will flee from the lab, taking revenge on the human race who thought it best to cage them. Tonight, the town of AARONSVILLE will once again be awakened with the scurrying of rodents, but this time the outcome will be different. THE RATS ARE COMING!!!

key New Age thinkers who have studied at Pathwork centers in the United States and abroad. Now, the core teachings of the guide have been collected in one volume synthesizing the essential wisdom of the Pathwork. Under such headings as “ The Idealized Self-Image, ” “ The Forces of Love, Eros, and Sex, ” “ Emotional Growth and Its Function, ” “ Real and False Needs, ” and “ The Spiritual Meaning of Crisis, ” the Pathwork outlines the entire process of personal spiritual development. Unlike many over-idealized philosophies, the Pathwork confronts our devils as well as our anges, our all-too-human failings and petty ego concerns as well as our divine strengths. It shows us how to accept ourselves fully as we are now, and then ot move beyond the negativity, or “ lower self, ” that blocks our personal and spiritual evolution. It offers a practical, rational, and honest way to reach our deepest creative identity. “ I would advise that this book be read with a willingness to take time to digest what the Guide says. This is not ‘ light ’ reading, thought it is Light reading, I assure you. I find an enormous compatibility between these lectures and Emmanuel's teachings. What a wonderful gift to a wonderful world. ” —Pat Rodegast, author of Emmanuel ’ s Book
