The Best Looking Kid in the Asylum Quill Tree Books
The first in a collection of thriller/suspense
novelettes and poetry from Byron Lear

A Night at the Asylum Lindsay Detwiler

Ten-year-old best friends, Nathan and Adam, really liked Joe. He was their friend, an artist, the man they spoke to through the wire fence of the lunatic asylum. But something happened behind those walls, in those rooms, on the grounds, at the river. Joe sketched it all - fine lines, truth in the negative

space, truth in the pencil strokes. And then, he was gone. Twenty years later, Nathan and Adam receive a letter. But can they find what's hiding between the lines? This is the large print edition of Asylum, with a larger font / typeface for easier reading.

The Caging at Deadwater Manor Independently Published

Taken from actual medical files, Asylum Archives is a collection of short stories based on true accounts from the insane! Featuring stories from USA Today Bestselling author, Jenni St. Giles, acclaimed filmmaker Richard Dutcher, and bestselling author Jaron Briggs, Asylum Archives is prescribed as a few milligrams of insanity!

Night at the Asylum Independently Published

Fast-paced, in your face horror novel that supplies buckets full of blood and gore. A man fights for his life in an asylum that is slowly being taken over by monsters from hell.

Fear the Reaper DC

This is my story from being sane to committed. I hope it helps you

gain an inside perspective of the Revolving door of the mentally ill.

The Human Experiment Tuttle Publishing

Echoes of the Past... In places where unspeakable atrocities occurred sometimes 'something' lingers, stuck between the worlds of the living and the dead. Those who believe in the grey area behind the veil will tell you that those places can become eternal cages that hold the souls of the deceased captive. 'Mental Ward: Echoes of the Past' is a collection of twelve such stories; tales of hauntings taking place in asylums. The places where the crazed, the insane, and sometimes the different were hidden away from society's view. Follow the winding path crafted by the talented, and in some cases, twisted imaginations of the storytellers who would taint your peaceful world with their echoes of the past.

How to Escape an Insane Asylum Independently Published

SHE KNEW HER DAD WAS ANGRY, BUT SHE NEVER EXPECTED

THIS. A dad with a vendetta. An unsuspecting daughter. A psychiatric hospital known for questionable acts. And staff who keep the secrets in the attic.

RECIPIENT OF THE 2017 READERS' FAVORITE

HONORABLE MENTION BOOK AWARD IN YA HORROR

On a cold, January evening, fourteen-year-old Jeannie Kynde is told that her beloved mother drowned in the murky waters along Florida's Gulf Coast.

Her distraught father turns on Jeannie, no longer the caring father she once knew. Four years later, Jeannie is finally old enough to escape her father's clutches, but he has different plans. He imprisons her at Deadwater Manor, a psychiatric hospital with an unscrupulous past. Between endless psychiatric treatments and a hospital staff up to no good, Jeannie faces insurmountable odds as each day ticks away. Will she be locked away forever? Or can she fight against the nightmare that has now become her world? If you like suspenseful shockers, you're sure to love this psychological thriller/horror that will keep you on the edge of your seat and stay with you long afterward.

Check out the great reviews on this novel that debuted on the #1 Hot New Releases bestseller list. Note: This book is intended for mature young adult, new adult, and older audiences due to profanity and sensual content.

BACKGROUND: The inspiration for the story came from Sandie's beloved father who worked in various psychiatric hospitals during short periods of his career. In the attic of one such hospital, he made a disturbing discovery - one that bothered Sandie so much, she had to create a story around it. Though fiction, many parts of the book intertwine the patient routines, treatments and outbursts that she learned from her father and other research in a way that makes the story vivid through Jeannie's perspective. PRAISE FOR THE CAGING AT DEADWATER MANOR: "Great read! Fantastic work on this very addictive book. I couldn't put it down but didn't want it to be over either from page 1 to the end. A true literary masterpiece." Brian Miller, Amazon Customer "This is a polished independent novel that skillfully blends coming-of-age, mystery, and suspense genre elements. The pacing is excellent and well-wrought, drawing the reader along to share in Jean's terror, frustration, and helplessness, as well as her hope and resolve to escape." C. Cameron, Amazon Customer "WOW! This thriller definitely had my heart racing! It is so exciting to find a great debut author and Sandie Will is just that with The Caging at Deadwater Manor. You do not want to miss this one! The characters are SO well written it seems like a memoir...which makes it that much makes it that much more creepy!!" What Behind the Mirage Macabre Ink

"A taut tale liable to raise significant goosebumps!" -- Ray Walsh,

Lansing State Journal "Asylum Lake is a good old-fashioned horror novel - accessible, creepy and eminently readable." -- HorrorNews.net "Few books have the power to send shivers down my spine, but this did. Evans is a brilliant writer of horror. A mysterious lake, ruined lunatic asylum, brutal murders and Scrabble that writes its own warnings. Evans creates a real sense of uneasiness and explores the psyche. If you like horror as it should be, you'll love it." -- Steve Emmett, author of Diabolino Memories are like water. Some float on the surface bright and clear. Some lie deeper - blurred by time and distance. Others rest far from the light in the depths of the darkness. These memories are best forgotten. At the bottom of Asylum Lake the unremembered have grown restless. After the sudden death of his wife, Brady Tanner moves to the small Michigan town where he spent summers as a youth. But he soon learns that small towns can be stained by memories...and secrets too. As Brady is drawn into unearthing the secrets of the town and of the abandoned psychiatric hospital on the shores of Asylum Lake, he discovers a new love in an old friend. But there is an evil presence lurking beneath the waters of the lake. What is the source of this evil--and what does it want with Brady Tanner?

Asylum Next Chapter

The dead have stories to tell. Are you listening? On a sunny August morning, in 1935, thirteen-year-old Sophia Gray finds her friend, Rosemary wandering in the woods. Rosemary's yellow dress is tattered and stained, she walks with a strange lurch, and her eyes are vacant and glassy. She beckons to Sophia, desperate to show her something, and Sophia follows. In an abandoned cabin, beneath a tattered blanket, Sophia discovers Rosemary's body. It was not Rosemary who led her there, but Rosemary's ghost. Step into the Northern Michigan Asylum for the Insane Twenty years after Sophia discovers Rosemary's body, she finds herself trapped in the sprawling, and eerily beautiful, Northern Michigan Asylum for the Insane, in the hands of a malevolent doctor who preys on patients who exhibit paranormal

abilities. Sometimes the dead don't rest In present day 1965, Hattie, much like her mother, thirty years before, is led by a ghost. A newspaper hidden in an attic reveals a secret that has shaped the lives of Hattie and her siblings. Hattie with her sister, Jude, embark on a crusade to remedy the wrongs of the past and discover the tale of deception that stole their mother a decade before. Hattie and Jude are in a race against time to discover a murderer and save their mother from a horrific fate. Get lost in a uniquely chilling story that spans the life of a family and the ghosts who haunt them.

The Book of Living Secrets Human Experiment

When a food fight breaks out in Arkham Asylum, more than meals gets splattered. To protect himself, White attempts to gain the favor and protection of a rather well known villain: Two-Face. But how do you trust a guy whose very name implies anything but?

Vampire Asylum (the Abby Hart Chronicles) Createspace Independent Publishing Platform

Let Her Rest is the seventh stand-alone novel in the Northern Michigan Asylum Series A night so terrifying, he blocked it for thirty years... Jake Edwards hasn't thought about the Northern Michigan Asylum in three decades. When Petra, a mysterious woman from his childhood, appears at his business, he suspects a practical joke. Until the woman vanishes, leaving behind a blood-spattered apartment and a trail of secrets that all lead back to the shuttered asylum. As Jake digs into his dark past, he must face the sinister forces who have been hunting him for decades.

A Normal Boy I May Productions

"I may be my worst enemy, but at least I've got a worthy adversary" - Shane Bordoli. Plenty of insights into alcoholism, depravity, depression and also their flip sides are on offer here. The '90s rave scene is covered as well as the Glastonbury festival during that period. The death of his parents is reviewed here in his usual crushingly honest style. Crammed with his trademark mix of humorous and the heartbreaking, Shane Bordoli's long-awaited second book is a two-part affair. A selection of poetry makes up part one, while part two is

a collection of autobiographical short stories. The poetry expresses his indomitable take on life, and especially his recent extended stay in India, having left the UK in 2019 for an indefinite period. The prose centres on his crazy times of too much partying, severe alcoholism, and struggles with mental health issues that eventually led him to relocate his life and to realign his priorities. There are lots of thoughts on the India of today and travel in general. It's also a chance to see what it's like to be up close and on intimate terms with the darker side of what life can become. On the whole, it's life-affirming by dint of taking the reader on a journey with the author towards leading a life that is both well examined and well worth living. Shane is an English writer, based in India at the time of publication. Big Fall fan. His books are available in paperback and on Kindle.

This book present an example of a refugee's story. It describe the reason why people are forced to leave their country and what difficulties they will face in their journey.

Asylum Crossroad Press

Beneath the Asylum This asylum is full of secrets. Some worse than others... A security guard in an infamous old mental hospital finds something unusual during his routine patrol of the basement tunnels: The sounds of a small girl crying. The crying sounds are coming from behind a padlocked door in an abandoned section of the hospital, and he moves in to investigate. Unfortunately for him, this is no ordinary girl. What ensues is a story of mystery, intrigue, and suspense. At times horrifying and hilarious, this is a tale of one man's journey to discover the truth in an asylum where not everything is as it seems, and not everyone is who they say they are... Inspired by the author's own intriguing experiences as a security guard at a psychiatric hospital, the novel Beneath the Asylum follows a guard's journey of horrific discoveries on probing a hidden maze of tunnels beneath a decaying old mansion on the site of a mental hospital. "Some of the best horror

I've read since Stephen King's "Shining"... will have you checking under your bed. Just in case." - Lucas Whorley, r/nosleep author of After Alice "Hey there folks it's me Mrcreepypasta. The best part of any good horror story for me is the mystery... delivers on that amazingly well. Every chapter adds more and more to the growing tension and results in a terrifying and incredible read." - Mrcreepypasta, host of YouTube show with 1.5 million followers "A terrifying, gripping tale full of unexpected twists and turns from Jordan Grupe, a master story-teller with first-hand experience working at a psychiatric hospital and exploring its known-to-be-haunted decaying old mansion" - Michael B. Davie, author, The Late Man

A psychologist unearths America's darkest secret through the terrors of an asylum in 1933 Virginia, where the elite aim to eliminate millions of "unfit" citizens. The truths that have been erased from history come to life in this thriller about the nation's ugly and forgotten chapter. Still haunted by the death of this wife and son during childbirth, psychologist and WWI vet Samuel Taylor accepts a position at Western Valley Hospital. Superintendent Joseph Dejarnette leads the movement to purify humanity by exterminating anyone the Society, led by the kings of industry, deemed to be "defective" or "unfit." Sam discovers that his testing often condemns patients simply for being less than the new "American" ideal, yet he learns he cannot quit his job. Dejarnette desires Sam to be his right hand at the asylum but warns him that Sam's deaf brother and new immigrant girlfriend have already been labeled as unfit by the new masterminds of eugenics. Sam begins to question his sanity as the mysteries of the area emerge from the shadows, compelling him to dig deeper into the horrors of the movement, realizing how complicit he is in the deaths around him. Experiments beyond his worst nightmares occur daily, as citizens from

neighboring towns begin disappearing at a frightening rate. Sam devises a bold plan to escape and unleash the truth, but learns that Dejarnette's tendrils reach into every major American city. The proof he ultimately uncovers may doom everyone he holds close while influencing the world's most heinous act in history. *** "A riveting imagined world so real you wonder if it was imagined. And, guess what, it wasn't. It's based on a true story -- one that will scare the crap out of you." - Steve Berry, New York Times and Internationally Bestselling Author Mental Ward Thomas & Mercer

Kidnapped and taken to the notorious vampire asylum at Tor Cliff, Abby Hart soon discovers that two very brilliant men are competing to discover the secret that's buried deep in her mind. At the same time, a timid werewolf tries to retain his sanity, despite being subjected to a series of terrifying experiments. Just as he's about to give up hope, however, he meets someone who recognizes his true potential. Meanwhile, beyond the walls of Tor Cliff, the mysterious Dronigan guards his realm, picking off anyone who dares try to escape. Vampire Asylum continues the story of Abby Hart, the child born to Patrick and Sophie in the Dark Season series.

They thought she was insane. But what if she was telling the truth? 1942, New Zealand. Edith's been locked away for a long time. She was just five years old when she was sent to Seacliff Lunatic Asylum. Fifteen years later, she has few memories of her life before the asylum, but longs for one beyond it. When she survives a devastating fire that destroys her ward, Edith is questioned by the police and a young doctor, Declan Harris. Intrigued by his beautiful patient, Declan begins to doubt the official reasons for her incarceration. Is she truly mad--or could the impossible stories she told as a child actually be true? Time is running out. With Edie awaiting a new and permanent treatment, soon there will be little of her left to save. Meanwhile intrigue has tipped into obsession--Declan needs to uncover the truth, but in doing so he will risk losing everything. As he sets out to save her mind, will he lose his own?

Sara Featherstone is a loser. At twenty she is still indentured to her parents, her best friend is a closet clairvoyant, and her long-time

boyfriend has just dumped her and refuses to tell her why. Five years ago her world ended with her brother, Tommy, running his motorcycle into a tree, and the life she might have lived had never started. Catapulted into the dark streets after a "visitation" from Tommy, Sara has no idea that all that wasted time is about to catch up with her. A chance encounter with a man wielding a knife sets in motion a chain of events so bizarre that Sara will soon question everything she has ever believed. From her boyfriend's fidelity to her best friend's innocence to what her brother knew about a missing classmate, irony is about to make Sara its bitch, and the next twelve hours could be her last.
