During the first seventeen days of the collapse of America, three men travel through the mounting destruction, seeking asylum in the Rocky Mountains, but finding instead the nucleus of who they are as men. A jaded special operations soldier, a self-doubting family man and a once-pampered teenager make their way from three corners of the country toward a survival compound in the state of Utah, but they must first pass through a land of chaos and death - a land that will no longer allow them to hide behind post-modern artifice. With society on-the-ropes and Mother Nature on-the-rise, these three men must either re-invent themselves in a condition of honesty and savagery or perish with the rest of Western Civilization.

The Complete Works of Thomas Jefferson Next Chapter

Ten-year-old best friends, Nathan and Adam, really liked Joe. He was their friend, an artist, the man they spoke to through the wire fence of the lunatic asylum. But something happened behind those walls, in those rooms, on the grounds, at the river. Joe sketched it all - fine lines, truth in the negative space, truth in the pencil strokes. And then, he was gone. Twenty years later, Nathan and Adam receive a letter. But can they find what's hiding between the lines? This is the large print edition of Asylum, with

a larger font / typeface for easier reading.

#1 New York Times Bestseller Jamie McGuire returns to self-publishing with this page-turning YA account of Erin Easter, one of three Erins in the small senior class of rural Blackwell High School who not only share a first name, but also their birthday. Easter, raised by a neglectful single mom, keeps to herself and admires Weston Gates from afar. The other Erins, Erin "Alder" Alderman and Erin "Sonny" Masterson are the darlings of the community: daughters of the two wealthiest families in town, best friends, cheerleaders, and everything Easter isn't--and they never let her forget it. Alder has even claimed Weston since the 8th grade. Weston is a well-liked star athlete, and the son of two prominent attorneys. He struggles daily with the pressures of living up to his family name and secretly empathizes with Easter's feeling that she belongs somewhere else; in a different life. Not until he begins sneaking nights out with Easter does he gain the courage to buck expectations and acknowledge his feelings ... both for his future, and for her. A shocking tragedy rocks the tiny town, and Easter's life is turned upside down in the best way possible. But when the truth is revealed and everything she thinks she wanted falls into her lap, life only becomes more complicated. Happenstance: A Novella Series (Part One) is an USA TODAY best seller!

The Caging at Deadwater Manor DC

You better watch your back. You better do your best to hide. Because at Whitehorn there are strange forces at play. Someone or something is watching. And the bizarre death within a secured room is only the beginning... Within a short period of time FBI agent Blake Wilder has had to overcome many life altering events. From the relief of discovering the truth of her past and having the reunion she had always dreamed of. To

becoming suffocated by the feelings of grief and failure, feelings that nearly resulted in her death. Safe to say, Blake Wilder is far from looking forward to the festivities to come. Blake and her team are summoned to a small town in northern Washington to investigate the mysterious death of a patient at Whitehorn. A case with no prints and no evidence that anyone had entered the victim's room the night of her death. A strangely perplexing and unfathomable death. And the patients and staff at Whitehorn believe that it was the spirit of the woman's boyfriend-a man she'd killed-coming back from the grave to have his revenge. When Blake discovers that the victim is not what she appears to be and the case takes a more shocking turn. Blake finds herself in an inescapable fight, a fight of the ghosts of the girl's past and Blake's very own ghosts of present and future to come. You better watch out. You better hide. Because a night at The Asylum could bring forth a darkness that may lead to an untimely demise. Arkham Asylum: Living Hell #2 Createspace Independent Publishing Platform

Why would anyone ever return to a haunted house?For Diane Mercer the answer is simple. She's dying of cancer, and she wants to know once and for all whether ghosts are real.FROM THE AUTHOR OF ASYLUM, HAUNTED AND THE NIGHT GIRL.Heading home with her young son, Diane is determined to find out whether the stories are real. After all, everyone else claimed to see and hear strange things in the house over the years. Everyone except Diane had some kind of experience in the house, or in the little ash house in the yard.As Diane explores the house where she grew up, however, her son is exploring the yard and the forest. And while his mother might be struggling to come to terms with her own impending death, Daniel Mercer is puzzled by fleeting appearances of a strange little girl who seems drawn to the ash house, and by strange, rasping coughs that he keeps hearing at night.THE ASH HOUSE is a horror novel about a woman who desperately wants to know what will happen to her when she dies, and about a boy who uncovers the shocking truth about a young girl's murder.

SHE KNEW HER DAD WAS ANGRY, BUT SHE NEVER EXPECTED THIS. A dad with a vendetta. An unsuspecting daughter. A psychiatric hospital known for questionable acts. And staff who keep the secrets in the attic. RECIPIENT OF THE 2017 READERS' FAVORITE HONORABLE MENTION BOOK AWARD IN YA HORROR On a cold, January evening, fourteen-year-old Jeannie Kynde is told that her beloved mother drowned in the murky waters along Florida's Gulf Coast. Her distraught father turns on Jeannie, no longer the caring father she once knew. Four years later, Jeannie is finally old enough to escape her father's clutches, but he has different plans. He imprisons her at Deadwater Manor, a psychiatric hospital with an unscrupulous past. Between

endless psychiatric treatments and a hospital staff up to no good, Jeannie faces insurmountable odds as each day ticks away. Will she be locked away forever? Or can she fight against the nightmare that has now become her world? If you like suspenseful shockers, you're sure to love this psychological thriller/horror that will keep you on the edge of your seat and stay with you long afterward. Check out the great reviews on this novel that debuted on the #1 Hot New Releases bestseller list. Note: This book is intended for mature young adult, new adult, and older audiences due to profanity and sensual content. BACKGROUND: The inspiration for the story came from Sandie's beloved father who worked in various psychiatric hospitals during short periods of his career. In the attic of one such hospital, he made a disturbing discovery - one that bothered Sandie so much, she had to create a story around it. Though fiction, many parts of the book intertwine the patient routines, treatments and outbursts that she learned from her father and other research in a way that makes the story vivid through Jeannie's perspective. PRAISE FOR THE CAGING AT DEADWATER MANOR: "Great read! Fantastic work on this very addictive book. I couldn't put it down but didn't want it to be over either from page 1 to the end. A true literary masterpiece." Brian Miller, Amazon Customer "This is a polished independent novel that skillfully blends coming-of-age, mystery, and suspense genre elements. The pacing is excellent and well-wrought, drawing the reader along to share in Jean's terror, frustration, and helplessness, as well as her hope and resolve to escape." C. Cameron, Amazon Customer "WOW! This thriller definitely had my heart racing! It is so exciting to find a great debut author and Sandie Will is just that with The Caging at Deadwater Manor. You do not want to miss this one! The characters are SO well written it seems like a memoir...which makes it that much more creepy!!" Kim Page, Amazon Customer The Complete Works Thomas & Mercer The dead have stories to tell. Are you listening? On a sunny August morning, in 1935, thirteen-year-old Sophia Gray finds her friend, Rosemary wandering in the woods. Rosemary's yellow dress is tattered and stained, she walks with a strange lurch, and her eyes are vacant and glassy. She beckons to Sophia, desperate to show her something, and Sophia follows. In an abandoned cabin, beneath a tattered blanket, Sophia discovers Rosemary's body. It was not Rosemary who led her there, but Rosemary's ghost. Step into the Northern Michigan Asylum for the Insane Twenty years after Sophia discovers Rosemary's body, she finds herself trapped in the sprawling, and eerily beautiful, Northern Michigan Asylum for the Insane, in the hands of a malevolent doctor who preys on patients who exhibit paranormal abilities. Sometimes the dead don't rest In present day

1965, Hattie, much like her mother, thirty years before, is led by a ghost. A newspaper hidden in an attic reveals a secret that has shaped the lives of Hattie and her siblings. Hattie with her sister, Jude, embark on a crusade to remedy the wrongs of the past and discover the tale of deception that stole their mother a decade before. Hattie and Jude are in a race against time to discover a murderer and save their mother from a horrific fate. Get lost in a uniquely chilling story that spans the life of a family and the ghosts who haunt them. Asylum Archives Lindsay Detwiler "A taut tale liable to raise significant goosebumps!" -- Ray Walsh, Lansing State Journal "Asylum Lake is a good old-fashioned horror novel - accessible, creepy and eminently readable." -- HorrorNews.net "Few books have the power to send shivers down my spine, but this did. Evans is a brilliant writer of horror. A mysterious lake, ruined lunatic asylum, brutal murders and Scrabble that writes its own warnings. Evans creates a real sense of uneasiness and explores the psyche. If you like horror as it should be, you'll love it." -- Steve Emmett, author of Diabolino Memories are like water. Some float on the surface bright and clear. Some lie deeper - blurred by time and distance. Others rest far from the light in the depths of the darkness. These memories are best forgotten. At the bottom of Asylum Lake the unremembered have grown restless. After the sudden death of his wife, Brady Tanner moves to the small Michigan town where he spent summers as a youth. But he soon learns that small towns can be stained by memories...and secrets too. As Brady is drawn into unearthing the secrets of the town and of the abandoned psychiatric hospital on the shores of Asylum Lake, he discovers a new love in an old friend. But there is an evil presence lurking beneath the waters of the lake. What is the source of this evil--and what does it want with Brady Tanner?

Asylum Earth Good Press

All his life he has been an outcast. Hated for being born the way he is, until the day came when he began hating himself, as well.Number One has limited interaction with people, except for the four other children facing the same fate as him inside an asylum. What makes him different from children his age is the curse he was unfortunately born with. This curse makes him the subject of inhuman experiments designed to control and exploit his and the others special abilities. The end result is to make them evolve into deadly weapons.After a particularly harsh experiment, Number One knows that the only way for him and his friends to survive is to escape the asylum, and the horrible doctor keeping them locked in there for his own horrible means.Despite having unimaginable things done to him, Number One always has hope that he will escape the horrible experiments, the asylum - and finally be free to live the life he deserves.If you enjoyed watching Stranger Things and The

Black Mirror then this is the right book for you.

Beneath the Asylum This asylum is full of secrets. Some worse than others... A security guard in an infamous old mental hospital finds something unusual during his routine patrol of the basement tunnels: The sounds of a small girl crying. The crying sounds are coming from behind a padlocked door in an abandoned section of the hospital, and he moves in to investigate. Unfortunately for him, this is no ordinary girl. What ensues is a story of mystery, intrigue, and suspense. At times horrifying and hilarious, this is a tale of one man's journey to discover the truth in an asylum where not everything is as it seems, and not everyone is who they say they are... Inspired by the author's own intriguing experiences as a security guard at a psychiatric hospital, the novel Beneath the Asylum follows a guard's journey of horrific discoveries on probing a hidden maze of tunnels beneath a decaying old mansion on the site of a mental hospital. "Some of the best horror I've read since Stephen King's 'Shining'... will have you checking under your bed. Just in case." - Lucas Whorley, r/nosleep author of After Alice "Hey there folks it's me Mrcreepypasta. The best part of any good horror story for me is the mystery... delivers on that amazingly well. Every chapter adds more and more to the growing tension and results in a terrifying and incredible read." - Mrcreepypasta, host of YouTube show with 1.5 million followers "A terrifying, gripping tale full of unexpected twists and turns from Jordan Grupe, a master story-teller with first-hand experience working at a psychiatric hospital and exploring its known-to-be-haunted decaying old mansion" - Michael B. Davie, author, The Late Man

A Complete Collection of State Trials and Proceedings for High Treason and Other Crimes and Misdemeanors from the Earliest Period to the Year 1820. (etc.) Independently Published Donald is a "normal boy", living with his family on a prairie farm near Weyburn, Saskatchewan during the "Dirty Thirties". When his father is tragically killed, Donald's mother decides to marry the hired hand, Frank, in order to save her farm. Frank hates children and gives Donald's mother an ultimatum that he will only agree to marry her if she gets rid of her four children. This ultimatum leads to Donald being placed in the Mental Hospital at age 9 where he struggles for many years dealing with horrific trauma, loneliness, abandonment and abuse. Normal children living in this asylum were a well-kept secret. This is the story of one such boy. This compelling novel is a human interest fiction inspired by true events. It is a story about courage, love and forgiveness.

Thomas Jefferson (1743-1826) was an American Founding Father who was the principal author of the Declaration of Independence and later served as the third President of the United States from 1801 to 1809. Previously, he had been elected the second Vice President of the United States, serving under John Adams from 1797 to 1801. He was a proponent of democracy, republicanism, and individual rights motivating American colonists to break from Great Britain and form a new nation; he produced formative documents and decisions at both the state and national level. Words are funny things. Their meaning, the pictures they paint in the minds of those that hear them. They're not always the same and to me at least, that makes them meaningless. Take for instance the phrase 'black widow'. Those words conjure the image of a spider. However, instead of speaking of an arachnid, the people who whisper them are talking about something much different. They're talking about me. From what I'm told, no man I've ever loved has survived. Yet, I have no memory of any of it. My new home leads me to the definition of another vague and meaningless word. But the definition for the word is wrong. Especially when you're made silent by drugs and pretty white jackets. My name is Alexandra Sutton and this is the story of what happened when I was imprisoned inside an Asylum. *****Disclaimer: Asylum is a dark novel that contains sensitive subject matter not appropriate for readers below the age of 18 years of age. Asylum also contains explicit descriptions of violence. Asylum is a full length novel at 90K + words and is not part of a series.

Simon Sinclair, who is institutionalized in 1929 for having prophetic visions, narrates from inside the Massachusetts Asylum for Feeble Minds and Lunatics. There he meets Elizabeth, a young woman with a shadow personality and a dark, secretive past. Someone Simon knows he is destined to love. As their lives become entwined, they grow so attached to each other that they each begin to believe they are the other's 'cure'. But from the perspective of outsiders, it appears that each of them are growing more unstable. The harder they try to hold on to each other and their love, the more they are pulled apart. Realizing freedom will be the only way for them to marry and lead a normal life, Simon plans their escape with help from an unlikely hospital source, hiding secrets of his own, and they must be careful not to alert Elizabeth's other personality, for fear it will expose them. On a dark and frigid night in January, they run. But life on the run turns out to be more challenging and less romantic than either of them expected, testing their resolve and love to the limits. Simon continues to have prophetic visions, and Elizabeth's hidden

personality becomes angry about not being in control. Through repeated visions he neither understands nor likes, Simon realizes that the only way to have Elizabeth forever is to do the unthinkable. Give her up to someone else. In doing so, he unwittingly places one of the main characters from the novel 1929 - Jonathan's Cross in grave danger.

What Behind the Mirage

What lurks within Chaythe Asylum? College professor Stephen Barlow needs cash. Badly. When a student asks him to head a new campus organization that centers around paranormal research, he puts his skepticism aside and signs on in the hopes of scoring a fat bonus. Enter Chaythe Asylum--a long-shuttered and controversial institution where patients were allegedly subjected to unethical experiments. Closed in 1989 after a series of grisly murders, Stephen deems the old building as good a place as any to explore the possibility of the supernatural and arranges to take a tour with his students. But it turns out that the asylum is not as abandoned as it seems. There is something sinister in the building. It has watched and waited for nearly three decades, and when Stephen and his students enter, they find themselves at the center of a nightmare 28 years in the making. ASYLUM is the first novel in the Afterlife Investigations trilogy. THE AFTERLIFE INVESTIGATIONS Asylum Forest The Occupant
