From the international bestselling author of The Gilded Hour comes Sara Donati's enthralling epic about two trailblazing female doctors in nineteenth-century New York Obstetrician Dr. Sophie Savard returns home to the achingly familiar rhythms of Manhattan in the early spring of 1884 to rebuild her life after the death of her husband. With the help of Dr. Anna Savard, her dearest friend, cousin, and fellow physician she plans to continue her work aiding the disadvantaged women society would rather forget. As Sophie sets out to construct a new life for herself, Anna's husband, Detective-Sergeant Jack Mezzanotte calls on them both to consult on two new cases: the wife of a prominent banker has disappeared into thin air, and the corpse of a young woman is found with baffling wounds that suggest a killer is on the loose. In New York it seems that the advancement of women has brought out the worst in some men. Unable to ignore the plight of New York's less fortunate, these intrepid cousins draw on all resources to protect their patients. *Played* Silver Griffon Associates

Fans call me the king of the water. I'm focused, driven, and most importantly, I win. Life as a professional swimmer comes with sacrifices, but they've never worried me. I'm used to life with little room for anything but training, eating, and sleeping. Nothing more, nothing less. When a son I knew nothing about lands on my doorstep--and a crazy but very beautiful nanny shortly after--my life is turned upside down. Allowing any change into my life could put my goals and dreams in jeopardy, and I've worked too hard and too long for them. When I'm tempted to look beyond lap times and medals to bedtime stories and the possibility of love, I face one of the hardest questions of my life: is it worth the risk?

Music . . . the heart's greatest librarian. The average song is three and a half minutes long; those three and a half minutes could lead to a slow blink, a glimpse of the past, or catapult the soul into heart-shattering nostalgia. At the height of my career, I had the life I wanted, the life I'd always envisioned. I'd found my tempo, my rhythm. Then I received a phone call that left me off key. You see, my favorite songs had a way of playing simultaneously. I was in love with one man's beats and another's lyrics. But when it came to the soundtrack of a life, how could anyone choose a favorite song? So, to erase any doubt, I ditched my first-class ticket and decided to take a drive, fixed on the rearview. Two days. One playlist. And the long road home to the man who was waiting for me.

Under Sally's tutelage, Irina learns how to invisibly ferry classified documents—and discovers deeply buried truths about herself. You must allow me to tell you how ardently I admire and love you.” If you just heaved a contented sigh at Mr. Darcy's heartfelt words, then you, dear reader, are in good company. Here is a delightful collection of never-before-published stories inspired by Jane Austen—her novels, her life, her wit, her world. In Lauren Willig's “A Night at Northanger,” a young woman who doesn't believe in ghosts meets a familiar specter at the infamous abbey; Jane Odiwe's “Waiting” captures the exquisite uncertainty of Persuasion's Wentworth and Anne as they await her family's approval of their betrothal; Adriana Trigiani's “Love and Best Wishes, Aunt Jane” imagines a modern-day Austen giving her niece advice upon her engagement; in Diana Birchall's “Jane Austen's Cat,” our beloved Jane tells her nieces “cat tales” based on her novels; Laurie Viera Rigler's “Intolerable Stupidity” finds Mr. Darcy bringing charges against all the writers of Pride and Prejudice sequels, spin-offs, and retellings; in Janet Mullany's “Jane Austen, Yeah, Yeah, Yeah!” a teacher at an all-girls school invokes the Beatles to help her students understand Sense and Sensibility; and in Jo Beverley's “Jane and the Mistletoe Kiss,” a widow doesn't believe she'll have a second chance at love . . . until a Miss Austen suggests otherwise. Regency or contemporary, romantic or

fantastical, each of these marvelous stories reaffirms the incomparable influence of one of history’s most cherished authors.

Natalia My love life would be almost comical if it weren't so depressing. Why can't romance be like it is in the novels I love? I stupidly assume things can't get any worse, but then I get fired from my job. Good one, universe. Now I have no choice but to work for my brother and his surly business partner, Anderson. We can't seem to get on the same page about anything. He's judgmental and rude, and I can't stand him. To make matters even more trying, he's ridiculously hot. Anderson I never agreed to bring on a new marketing manager, and certainly not her. My business partner leads with his heart, and when he hires his sister, her ability to crawl under my skin is insurmountable. So, why does she make my heart race every time she's close? When things escalate, I lose all semblance of control, which just makes me angrier. I can't keep my hands off her, even though she makes me crazy. Hatred can drive a person insane, but so can love. The Love at Work Series consists of interconnected standalones, all having to do with falling in love at work. They can be read in ANY order!
