"Between phones, networks, equipment,
and vendors, being a telecom manager can
be a difficult task. Using four companies'

actual experiences as case studies, The
Telecom Manager's Survival Guide presents
an easily understandable method for lining
up the best possible services, putting the
right tools in place, and saving the business
money. The book takes a practical
approach, providing a proactive system for:
* Project management for the
implementation of new services * Trouble
resolution for equipment * Billing audit and
reviews * Strategic planning for the future
The Telecom Manager's Survival Guide is
an important resource for anyone taking
charge of their organization's
telecommunications initiatives."

Mammoth Books presents Merlin's Gun

When Sora's swallowship is taken out by a swarm during the war she is rescued by Merlin, a legendary man who has allegedly discovered a super-weapon built by the Way creators; a gun so powerful it I said to have stopped the previous war. Sora is sceptical, though, for Merlin has been missing for ten thousand years, yet he has not aged a day. As the current war between aliens and humans intensifies, the need to find this weapon becomes unquestionably urgent. They must find the gun before the enemy does and incinerates them. Can their quest to save humanity and end the war be achieved with Merlin's gun?
