"I REMEMBER... ..humorous, inspirational and nostalgic stories, dating from my early childhood experiences to the present day." YOUNG CHILDREN have hundreds of tales to tell, most of them humorous, with a special blend of love and emotion. I tried to share some of my favorites from these formative years. THE TEENAGERS are so much more secretive in their storytelling. My parents hadn't a clue as to what was going on in my mind during the mid-1940's. Read about how we all share in the triumphs and the disappointments of our teen years. LOVE, MARRIAGE & CHILDREN go hand in hand, along with trying to build a home, literally, for your family. Raising children is a wonderful experience. This portion of the book contains more humor than I anticipated. Most of us can relate to these sentimental anecdotes. OLD AGE brings with it a multitude of problems, but I wouldn't change it for the world. It also brings grandchildren, who light up my life and make each day a joy. I have attempted to write about all the inspiration they have bestowed upon this humble writer. JOIN ME as we go through many of these precious golden moments.

The End of the Road Simon and Schuster

Detective Harry Mason has rejoined the South African Police Service after a two-year leave of absence, and moved over to the specialised Serious and Violent Crimes unit, headed by the tough and fiery veteran commander Superintendent Carl 'Blackie' Swarts. Soon afterwards, Harry is assigned to investigate the slaying of a minor politician and his family, in a township west of Johannesburg. The case, at first seemingly unsolvable, is abruptly saved by an enigmatic grassroots anarchist whom Harry befriended during the apartheid riots of the '80s, and soon the SVC is hot on the heels of one of the country's most secretive and violent vigilante groups, known as 'The Guardians', headed up by two brothers whose brutality is legendary amongst the poor inhabitants of Johannesburg's squatter camps. As the investigation slices away at the layers of secrecy surrounding this group, other secrets surface — truths that ultimately pose a threat to Harry's unit, and to the city at large. When Harry is abruptly gunned down by unseen assassins during a dawn raid on a remote village, and a bomb is detonated in the judicial heartland of Johannesburg, his former police partner and long-time friend, Detective Jacob Tshabalala, is forced to take matters into his own hands, and expose a splinter faction of vigilantes operating within the police service itself — a faction whose connections stretch all the way into parliament itself.

NATIONAL BESTSELLER • WINNER OF THE PULITZER PRIZE • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. The Road is the profoundly moving story of a journey. It boldly imagines a future in which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation.

With millions of Americans watching, one of the nation's most popular television personalities, Joan Lunden, made a life-altering transition with grace and ease as she brought to a close two decades of hosting Good Morning America. For the first time Joan candidly reveals how she approached such an enormous challenge as an opportunity for growth -- and how you can, too. For each change that occurred during the course of those twenty years, Joan had an entire nation watching her respond, commenting on the things that she did, critiquing the way that she did them, and putting forth opinions on what she should do next: "People I had never met constantly offered me suggestions about how I should handle my divorce, how I should raise my children, and the career choices I should make after GMA. I was a private citizen with the normal stresses that a mother, wife, and businesswoman endures on a daily basis, going through life's changes in a public arena." We all go through change. Whether it's an illness in the family, a divorce, teenagers acting out, losing a job, having to move, or kids leaving the nest, one thing is certain: Change is the only thing we can count on. Yet, while change is the one constant in our lives, it often produces the greatest amount of fear. In this inspiring new book, Joan shows us the importance of staying levelheaded in the face of crisis no matter what or whom you're facing. Both an intimate self-portrait and a practical blueprint for living a happier, more fulfilling life, *A Bend in the Road* is Not the End of the Road proves once again why so many viewers have followed Joan Lunden for so many years.
