iPhone and iPad user guides I have not yet read these although I would really like to.

The reason I did not give it more than two stars was because I couldn't find a price anywhere and I did see an ad for it that said it was free but it doesn't know if they're on the actual item so it said the item had been paid because it

automatically went to my Apple Pay.

## Iphone 6s Manual User Guide and Instructions

The user guides above are more instructional and for regular users. Like their larger siblings, the iPhone 6 and 6S are essentially the same device with some minor changes. And, just like those models, the information is almost strictly legal and not designed to help you learn how to use the iPhone.
