Designed for contemporary moral problems courses, Bonevac's *Today's Moral Issues* is unique in providing theoretical readings related to the contemporary issues readings that follow; students connect theory and practice, thereby making the theory interesting and relevant. In addition to providing readings on contemporary topics, the book lends historical perspective to current moral issues with its unique inclusion of classic selections by philosophers such as Aristotle, Mill, Kant, and Locke.

AutoCAD 2006 Companion McGraw-Hill Science, Engineering & Mathematics

New York Times bestselling author LaVyrle

Spencer presents a beautiful and moving tale of a false marriage that leads to true love. The wedding of Clay Forrester and Catherine Anderson was the social event of the season. It seemed like a page out of a fairy tale. But everything about it—from the formal vows to the magnificent reception—was a lie. Catherine had reluctantly agreed to Clay's "marriage of convenience"—and the only thing that could threaten their arrangement was the unexpected arrival of love. "A superb

story." —Los Angeles Times "LaVyrle Spencer's legions of fans are drawn to her fiction because of its uncalculated emotion and the author's almost old-fashioned sense of integrity." —Chicago Tribune

"LaVyrle Spencer is magic!" —Affaire de Coeur

Manage Your Mind Mayfield Publishing Company

Heather Wells Rocks! Or, at least, she did.

That was before she left the pop-idol life behind after she gained a dress size or two -- and lost a boyfriend, a recording contract, and her life savings (when Mom took the money and ran off to Argentina). Now that the glamour and glory days of endless mall appearances are in the past, Heather's perfectly happy with her new size 12 shape (the average for the American woman!) and her new job as an assistant dorm director at one of New York's top colleges. That is, until the dead body of a female student from Heather's residence hall is discovered at the bottom of an elevator shaft. The cops and the college president are ready to chalk the death off as an accident, the result of reckless youthful mischief. But Heather knows teenage girls . . . and girls do not elevator surf. Yet no one wants to listen -- not the police, her colleagues, or the P.I. who owns the brownstone where she lives -- even when more students start turning up dead in equally ordinary and subtly sinister ways. So Heather makes the decision to take on yet another new career: as spunky girl detective! But her new job comes with few benefits, no cheering crowds, and lots of liabilities, some of them potentially fatal. And nothing ticks off a killer more than a portly ex-pop star who's sticking her nose where it doesn't belong . . .

The Dying Game Piatkus Books

School nurse and local wallflower Flora Loveday would rather spend time with her pupils than even think about dating—until smoking-hot firefighter

More Than Words: Bestselling authors and real-life heroines Making a difference...transforming lives... This year, the recipients of Harlequin's More Than Words Award are three women whose selfless deeds and far-reaching goals are helping to build stronger, safer communities. Now three bestselling Harlequin authors honor these remarkable women with stories inspired by their extraordinary contributions. In *A Wing & A Prayer*, Atlanta businessman Dylan Alexander is committed to getting children the medical attention they need. And he has to admit, he enjoys flying single mom Jo Nichols and her son, Zack, from St. Simon's Island to Baltimore on his private jet. Now if he could just stop fantasizing about the three of them as a family... Jo owes everything to Miracle Flights for Kids...and the six-foot CEO who volunteers his time and compassion. But past experience has taught her that acting on their growing attraction would be a mistake. All bets are off when Dylan and her son start seriously bonding. Are blue skies up ahead? Only if she and the once-burned businessman have the courage to go for it. Look for *A Wing & A Prayer* by Andrea Laurence, along with two more free ebooks inspired by real-life heroines: *A Place in Her Heart* by Trish Milburn and *Never Too Late* by Christi Barth. Visit the Harlequin More Than Words website at [www.harlequinmorethanwords.com](http://www.harlequinmorethanwords.com), or your favorite ebook retailer, to download these free novellas today.

*Heroes and Other Stories* A&C Black  
*Play To Win*. . . It's the ultimate game--the adrenaline surge of the hunt, the thrill of victory, the agony of defeat. For in this game, the rules are simple: To win, you only have to kill. To lose, you will have to die. . . *Play To Scream*. . . The victims are former beauty queens found with a single rose beside their

bodies. Lindsay McAllister has seen this signature before, when she was a rookie detective with the Chattanooga PD investigating the death of Judd Walker's wife, a murder that sent the handsome lawyer off the deep end. Now, Lindsay has the brutal task of telling Judd that his wife's killer has struck again, and she's going to need his help to outplay their opponent--because the killer is getting bolder, faster, and more ruthless. The game is escalating, and no one is safe. *Play To Die*. . . Now as the body count rises, the rules are changing. A killer will do anything to win. And the only way for Lindsay to stop a madman's twisted game is to play it herself. . . *Killing Freud* Van Nostrand Reinhold Company

New York Times bestselling author LaVyrle Spencer presents one of her most beautiful and captivating novels—a powerful story of the human heart you will never forget... Five long years ago, Laura Dalton stood on the bleak Nantucket shore waiting for her beloved husband Rye to return—until the day she learned his ship was lost at sea. Now, Laura ' s lonely heart has found solace in Dan, Rye ' s closest friend. Dan has been a beacon of light in her time of darkness, becoming a father to the child that Rye never knew and giving her a reason to live again. But who could foretell that a wind-roughened sailor with sun-bleached hair would come back into their lives? That Laura ' s heart could betray her soul? That Rye would come home again... *Separate Beds* McGraw-Hill Education  
The concept of kindness is sometimes linked to qualities such a stupidity, gullibility and timidity, but in *THE ART OF BEING KIND* the word is given a new slant. Stefan Einhorn passionately believes that kindness is one of the finest things we can devote ourselves to, and is the single most important factor for success in our lives. If we strive to be kind to others, we simply cannot avoid doing

---

ourselves good. In *THE ART OF BEING KIND* Einhorn describes what being kind involves, what can prevent us from being generous to others, examples of scientific research proving the benefits of benevolent behaviour, and sound and practical advice on how we can become kinder, and therefore more successful, in our everyday lives.

Dictionary of Psychology Oxford University Press

How did the apostle John know that, two thousand years after he lived, your life would need a fresh touch from God? How did John know that, at the beginning of a new millennium, our lives would be so busy, our focus so divided, our bodies so tired, our minds so bombarded, our families so attacked, our relationships so strained, our churches so programmed . . . that we would be desperate for the simplicity and the purity, the freedom and the fulfillment of a life lived in Jesus ' name? John probably didn ' t know. But God did. That ' s why He gives us Jesus! And that ' s why, as Anne Graham Lotz reveals, John ' s eyewitness account of Jesus ' life is unmistakably relevant to your life today. The same Jesus who turned water into wine is the One who provides for your needs at this very moment. Enter into His life and find your soul refreshed with Living Water. This new edition of *Just Give Me Jesus* contains an in-depth devotional guide to help you explore the words of John in a personal and practical way, either on your own or in a group. You ' ll find inspiration and revelation as you study the Scripture more closely and record your reflections in space provided at the back of the book.

*The Art of Being Kind* Harlequin

He's the only one with the key to unlock her heart... Army medic and emergency specialist James "Jet" Munroe thrives on danger. Physical danger—never emotional. Beautiful helicopter

pilot Becca Harding has spent long years trying to forget Jet, but she's never been able to forgive him. Now, trapped together for the first time in years, it's time for them to stop running from the shadows that have marred their relationship...and from the scorching attraction that lingers between them.

*Succeed for Yourself* Thomas Nelson

*Killing Freud* takes the reader on a journey through the 20th century, tracing the work and influence of one of its greatest icons, Sigmund Freud. A devastating critique, *Killing Freud* ranges across the strange case of Anna O, the hysteria of Josef Breuer, the love of dogs, the Freud industry, the role of gossip and fiction, bad manners, pop psychology and French philosophy, figure skating on thin ice, and contemporary therapy culture. A map to the Freudian minefield and a masterful negotiation of high theory and low culture, *Killing Freud* is a witty and fearless reevaluation of psychoanalysis and its real place in 20th century history. It will appeal to anyone curious about the life of the mind after the death of Freud.

*St. Piran's: The Fireman and Nurse Loveday* Courier Corporation

Compiles statistical formulas, Greek letter symbols, and abbreviations as well as information on leading psychologists, theories, techniques, principles, and terminology  
*A Wing & A Prayer* Kogan Page Publishers  
*Manage Your Mind* is a book for building resilience, overcoming emotional difficulties and enabling self-development. It is for any of us who wish to understand ourselves better, to be more effective in day-to-day life, or to overcome current problems; or who want to support others in these tasks. The authors have, between them, almost 100 years of experience of helping people through difficult times. This experience, together with the results from scientific research, leads to *Manage Your Mind* distilling effective techniques and ideas so that readers can select those that suit their

---

preferences and needs. The book explains and illustrates how to respond skilfully to life's challenges.

Today's Moral Issues Size 12 Is Not Fat

In *All Things Must Fight to Live*, Bryan Mealer takes readers on a harrowing two-thousand mile journey through Congo, where gun-toting militia still rape and kill with impunity. Amidst burnt-out battlefields where armies still wrestle for control, into the dark corners of the forests, and along the high savanna, where thousands have been slaughtered and quickly forgotten, Mealer searches for signs that Africa's most troubled state will soon rise from ruin. At once illuminating and startling, *All Things Must Fight to Live* is a searing portrait of an emerging country facing unimaginable upheaval and almost impossible odds, as well as an unflinching look at the darkness that continues to exist in the hearts of men. It is non-fiction at its finest-powerful, moving, necessary.
