This ebook includes audio narration. A deliciously imaginative story about friendship—from the author / illustrator of *The Scrambled States of America*. Arnie was fascinated as he watched the customers stream into the bakery. One by one, doughnuts were chosen, placed in paper bags, and whisked away with their new owners. Some went by the dozen in giant boxes. "Good-bye!" Arnie yelled to each doughnut. "Have a

good trip!" "This is so exciting!" Arnie beamed. "I wonder who will choose ME?" At first glance, Arnie looks like an average doughnut—round, cakey, with a hole in the middle, iced and sprinkled. He was made by one of the best bakeries in town, and admittedly his sprinkles are candy-colored. Still, a doughnut is just a doughnut, right? WRONG! Not if Arnie has anything to say about it. And, for a doughnut, he sure seems to have an awful lot to say. Can Arnie change the fate of all doughnuts—or at least have a hand in his own future? Well, you'll just have to read this funny story and find out for yourself. This title has Common Core connections Arnie, the Doughnut is a 2004 Bank Street - Best Children's Book of the Year.

When Sinbad is diagnosed with cancer, Conor chooses to put his hockey lessons and practices on hold so they can pay for Sinbad's chemotherapy. But without hockey to distract him, Conor begins

to notice more. Like his dad's crying bouts, and his friend's difficult family life. And then Conor notices one more thing: Without hockey, the one thing that makes him feel special, is he really special at all?

To pint-sized JT McDonald, hockey is life. So how come life keeps getting in the way of his hockey? JT McDonald is the smallest guy on the team — but he's not letting that interfere with his plans to rule the rink this hockey season. His blades are sharp, his focus is strong and he is determined to play against the biggest team in the league, no matter what his coach says. That is until a new player joins the team — a giant new player named Eddie Bosko — and he's a right winger too, just like JT. JT realizes his best moves look weak next to Eddie's. And to make matters worse when JT fails a math test, his mother grounds him, devastating his hockey happiness further. On the upside, while grounded, he wins a radio contest that will give him the chance to score a goal from centre line at the next Vancouver Canucks game. There's one catch: he won't be allowed to attend unless he pulls off a B on his next math test. Again his dreams seem just out of reach and he is almost ready to admit defeat. That is until he notices that Eddie Bosko is even better at math than he is at hockey. Is it possible that JT's biggest competition is also the one who can help him achieve his hockey goals?
